#### **Independent Auditor's Report**

Board of Directors
Baptist Foundation of Oklahoma
d/b/a WatersEdge Ministry Services
Oklahoma City, Oklahoma

#### **Opinion**

We have audited the consolidated financial statements of The Baptist Foundation of Oklahoma dba WatersEdge Ministry Services (WatersEdge), which comprise the consolidated statement of financial position as of December 31, 2022 and the related consolidated statements of activities and cash flows for the year then ended and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of WatersEdge as of December 31, 2022 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are required to be independent of WatersEdge and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Emphasis of Matter

The 2021 financial statements, before they were restated for the matter discussed in Note A, were audited by other auditors, and their report thereon, dated April 22, 2022, expressed an unmodified opinion. The accompanying summarized comparative information presented herein as of and for the year ended December 31, 2021 was derived from those audited financial statements. Our opinion is not modified with respect to this matter.

#### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Board of Directors
Baptist Foundation of Oklahoma
d/b/a WatersEdge Ministry Services
Page 2

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WatersEdge's ability to continue as a going concern within one year after the date that these consolidated financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of WatersEdge's internal control. Accordingly, no such opinion is
  expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
  accounting estimates made by management, as well as evaluate the overall presentation of the
  consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WatersEdge's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Non-cash activities:

Liabilities to beneficial owners include net realized and unrealized (losses) gains of \$(6,569,971) and \$72,719,947 for 2022 and 2021, non-cash receipts of other investments of \$1,986,014 and \$3,543,958 for 2022 and 2021, and non-cash disposals of other investments of \$695 and \$3 for 2022 and 2021. Net realized and unrealized gains on investments benefiting WatersEdge were \$4,827,763 and \$5,551,196 for 2022 and 2021. In 2022, WatersEdge received \$655,000 in non-cash real estate as a contribution into a fund advised by a donor. In 2021, WatersEdge received real estate collateral from a borrower in lieu of foreclosure on church building loans receivable totaling \$11,615.

The accompanying notes are an integral part of these statements.

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES

The Baptist Foundation of Oklahoma, dba WatersEdge Ministry Services (WatersEdge) is a private, nonprofit religious association chartered by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock. Its creation was approved by the Baptist General Convention of the State of Oklahoma, dba Oklahoma Baptists (Convention) to administer funds and property received by gift, device, and bequest or otherwise in order to assist and promulgate the furtherance of the Convention and to promote Baptist doctrines, evangelism, Christian education and both home and foreign mission work. WatersEdge qualifies as a 501(c)(3) public charity.

On May 1, 2018, WatersEdge formed a Church Extension Fund (CEF) by completing an Offering Circular (Circular). The Circular is prepared in compliance with the North American Securities Administration Associations, Inc. (NASAA) Statement of Policy for offerings of securities (notes payable) and submitted to state securities departments for authorization to sell notes within each respective state. Through the Circular issued on May 1, 2022, the CEF offered notes payable in the aggregate principal amount of \$175,000,000. As of December 31, 2022, the CEF had notes payable in fourteen states. The CEF uses the proceeds from the sale of these notes payable to make church building loans to finance capital improvement projects.

WatersEdge formed 25:21, LLC (LLC) on November 15, 2016 with the purpose of allowing internally managed pools to participate as a direct investor in local investing opportunities. WatersEdge is the sole member of the LLC. At December 31, 2022, the LLC had committed capital to one real estate company. The LLC is an Oklahoma limited liability company and will continue perpetually until terminated pursuant to statute or any provision of the operating agreement.

WatersEdge, in the capacity of trustee, holds, administers, and invests assets for the Convention and institutions affiliated with the Convention, as well as for its own account. Trusts may have other charitable or non-charitable beneficiaries. Interests of WatersEdge, Convention or affiliates of the Convention may be total or may represent only income or remainder interests. WatersEdge also holds assets for investment in a custodial capacity for the Convention and its affiliates. In addition, WatersEdge administers trusts where affiliated organizations serve as trustee.

Activities of WatersEdge include estate stewardship and gift planning for the Convention and its affiliates. Staff members work with Southern Baptist churches and associations both within and outside the State of Oklahoma to encourage financial support for local, state, and national institutions through lifetime and testamentary planning.

WatersEdge receives financial support primarily from fees charged for the administration and investment of assets. In addition, annual appropriations are received from the Convention through its Cooperative Program.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows.

#### 1. Consolidation

The accompanying financial statements have been prepared on the accrual basis and include the activities and net assets of 25:21 LLC, its wholly owned subsidiary. All significant intercompany balances and transactions have been eliminated.

#### 2. Recognition of Donor Restrictions

Net assets, revenues, gains and losses are classified based on the existence or absence of donor restrictions. Net assets without donor restrictions are currently available for operating purposes at the discretion of the WatersEdge Board for use for its associated programs, for general expenditure, and for investment in property and equipment.

Net assets with donor restrictions include assets related to gifts with explicit donor-imposed restrictions that have not been met as to the specified purpose or expiration of the specified periods of time. Restricted assets reported herein combine permanent and temporary restrictions.

Net assets with donor restrictions include donor restrictions requiring the net asset be held in perpetuity while permitting an annual appropriation. These net assets held in perpetuity are referred to as endowments. The endowments consist of the original contribution amount as well as the net increases and decreases over the original contribution amount. These endowments either benefit WatersEdge directly or do not benefit WatersEdge. Net assets benefitting WatersEdge are subject to appropriation for general needs and expenditures. Net assets not benefiting WatersEdge are subject to expenditure for a specific purpose for which WatersEdge holds discretion on the distribution.

The liability to income beneficiaries for future payments is determined by applying an annual discount rate of 5% (which equals the estimated long-term return on investments) to estimated payments under the agreements.

#### 3. Cash and Cash Equivalents

WatersEdge maintains its cash and cash equivalents in bank deposit accounts, money market funds and short-term certificates of deposit, some of which may not be federally insured. Some bank deposit balances are transferred daily into interest-bearing accounts secured by short-term, high-quality fixed income securities issued by banks, corporations, and the U.S. Government. WatersEdge has not experienced any losses in cash equivalents and believes it is not exposed to significant credit risk on cash equivalents. Management considers highly liquid debt instruments readily convertible into cash to be cash equivalents other than cash and cash equivalents held as part of its investment portfolio which are not considered to be cash equivalents. At December 31, 2022, \$1,161,000 of cash and cash equivalents were not federally insured.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### 4. Certificates of Deposit

Certificates of deposit include term deposits invested into the Certificate of Deposit Account Registry Service (CDARS) which provides full FDIC insurance and time certificates invested in an unrelated church extension fund which are not FDIC insured.

#### 5. Church Building Loans Receivable, net

Church building loans are carried at the total principal balance of these loans net of an allowance for loan losses and any unamortized deferred fees or costs. The Board of Directors (Board) approves the methodology used to establish interest rates so that the rates reflect market conditions. The adjustable interest rate on each church building loan is adjusted either on a one, three, five, seven, or ten year basis, dependent on terms selected by the borrower at the time of loan origination. Church building loans mature at various dates through December 2049 and bear interest at rates ranging from 3.45% to 6.75%.

Church building loans are presented net of participations, an allowance for loan losses, and any unamortized deferred fees or costs. The adequacy of the allowance is determined by management and the Board based on several factors, including the collection of loans and evaluation of underlying collateral values, loss experience, identification and review of problem loans, quality of the loan portfolio and business and economic conditions. However, ultimate losses may differ from these estimates.

The allowance for loan losses is established as losses are estimated to have occurred through a provision for loan losses charged to expense. Loan losses are charged against the allowance when management believes the uncollectibility of a loan balance is confirmed. Subsequent recoveries, if any, are credited to the allowance.

The allowance for loan losses is evaluated on a regular basis by management and is based upon management's periodic review of the collectability of the loans in light of historical experience, the nature and volume of the loan portfolio, adverse situations that may affect the borrower's ability to repay, estimated value of any underlying collateral and prevailing economic conditions. This evaluation is inherently subjective as it requires estimates that are susceptible to significant revision as more information becomes available.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

The allowance consists of allocated and general components. The allocated component relates to loans that are classified as impaired. For those loans that are classified as impaired, an allowance is established when the collateral value of the impaired loan is lower than the carrying value of that loan. The general component covers non-classified loans and is based on historical charge-off experience and other qualitative factors.

A loan is considered impaired when, based on current information and events, it is probable that the CEF will be unable to collect the scheduled payments of principal or interest when due according to the contractual terms of the loan agreement. Factors considered by management in determining impairment include payment status, collateral value and the probability of collecting scheduled principal and interest payments when due. Loans that experience insignificant payment delays and payment shortfalls generally are not classified as impaired. Management determines the significance of payment delays and payment shortfalls on a case-by-case basis, taking into consideration all of the circumstances surrounding the loan and the borrower, including the length of the delay, the reasons for the delay, the borrower's prior payment record and the amount of the shortfall in relation to the principal and interest owed. Impairment is measured on a loan-by-loan basis by the estimated value of the collateral.

Although many loans made by the CEF are to churches and ministries within the state of Oklahoma, loans are also made to churches and ministries in other states. In some cases, cooperating state foundations will purchase a portion of the loans originated in their state through a participation agreement with the CEF. The participation agreements allow the sale of the cooperating foundation's share of the loans to a third-party organization. As such, the participated share of the loans are recorded as a reduction of church building loans receivable. These agreements, because they are all similar in nature, are aggregated on these financial statements and reported within church building loans receivable, net.

Interest on loans is accrued based upon the principal amount outstanding. Loans are placed on nonaccrual status and are considered impaired based on the judgment of management and the WatersEdge Ministry Services Committee, considering factors such as number of days past due and collateral position, unless their collateral position or other conditions warrant continued accrual status. The policy of WatersEdge is to reverse previously accrued but uncollected interest on loans placed on nonaccrual status. Interest on nonaccrual loans is recognized only as received and only after the principal balance is satisfied. Earned but unrecorded interest on nonaccrual loans subsequently refinanced is deferred and recognized over the remaining life of the loan. WatersEdge had one loan on nonaccrual status at December 31, 2022 and 2021.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### 6. Investments

#### Pooled Investments

WatersEdge pools the assets under its ownership, administration, or control into various equity, fixed income, and alternative investment pools.

Pro-rata ownership in the pools is determined under a system in which units of ownership are recorded to represent each member's share of the total market value of assets. Investment interest, dividends, gains, losses and appreciation or depreciation in market value are allocated based on each pool member's percentage of ownership represented by these units. The cost of securities sold is determined on a specific identification basis.

Pooled investments are carried at fair market value or at cost if no fair market value can be established. Fair market value for pooled investments, excluding alternative investments, is provided by brokers.

Developed market and emerging market equities consist primarily of cash equivalents and marketable equity securities. Fixed income assets consist primarily of cash equivalents and corporate and governmental debt securities. Alternative investments consist primarily of cash equivalents, futures contracts, and other investment vehicles including structured settlements, distressed debt, venture capital, private equity, real estate, real assets, and hedge funds. Alternative investments are primarily carried at the net asset value (NAV) of the fund as provided by the administrator or general partner. Management evaluates the values provided based on several factors, including obtaining an understanding of the fund's underlying investments, strategy, positions and valuation methodologies, obtaining audited financial statements, obtaining verification of transactions at or near year end, and comparing information provided by the fund administrator or general partner to other available information such as sector data and indices. Because alternative investments are not readily marketable, their NAV is subject to uncertainty and therefore may differ from the value that would have been used had a ready market for such investments existed. Such a difference could be material. Realized and unrealized gains and losses for WatersEdge investments are reflected in the statements of activities.

#### Other Investments

Other investments stated at fair market value consist primarily of corporate stocks, mutual funds, bonds, oil and gas income producing properties, and a limited partnership. The corporate stocks, mutual funds, and bonds are stated at fair market value provided by brokers. Oil and gas income producing properties are stated at fair market value as calculated by WatersEdge at five times the annual income from that property. The limited partnership is stated at fair market value as determined by WatersEdge after examining current purchases and sales of the fund as provided by the audit of the fund in addition to observing partnership agreements and current offering documents.

Certain other investments, including notes, investment real estate, other debt instruments redeemable at face value and annuity contracts, are carried at contributed or acquisition value as these assets do not have readily determinable market values. WatersEdge evaluates cost basis investments for impairment when events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. When required, impairment losses are recognized based upon the estimated fair value of the investment.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### Investment Income

Investment income is reflected in the statements of activities with or without donor restrictions based upon the existence and nature of any donor or legally imposed restrictions.

#### 7. Beneficial Interest in Trust Managed by Others

WatersEdge is the beneficiary of an irrevocable trust held and administered by Citizens Bank & Trust. Under the terms of the perpetual trust, WatersEdge has the irrevocable right to receive a portion of the income earned on the trust assets. The fair value was recognized as an asset and as a contribution with donor restrictions at the date the trust was established. Fair value estimates are based on information received from the trustees. The assets primarily consist of cash and cash equivalents, fixed income securities and mutual funds. These assets are not subject to the control or discretion of WatersEdge.

Gains and losses, which are not distributed by the trusts, are reflected as change in value of beneficial interest in the statements of activities.

#### 8. Remainder Interests in Assets Held by Others

Remainder interests in assets held by others are carried at the present value of expected future cash flows with realized and unrealized gains and losses reflected in the statements of activities.

#### 9. Donor Advised Funds

Donor advised funds are reported within Net Assets without donor restrictions as WatersEdge has variance powers, or legal control, over the assets in each account (see Restatement note). Each account has an advisor, or advisors, that retain advisory privileges with respect to the investment of the assets and distribution of the funds. WatersEdge does not intend to use these assets for general expenditures. Instead, WatersEdge desires to honor these requests if the advisement meets legal guidelines and does not conflict with the mission of WatersEdge.

#### 10. Property and Equipment

Major expenditures for property and equipment are capitalized at cost while donated property and equipment are capitalized at fair market value at the date of the gift. Depreciation of property and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis. The estimated useful lives predominately range from three to ten years for property and equipment other than buildings, which are depreciated for 40 years. No provision is made for depreciation on properties carried as other investments.

WatersEdge evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. When required, impairment losses are recognized based upon the estimated fair value of the asset.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### 11. Leases

WatersEdge determines if an arrangement is a lease or contains a lease at inception. Leases result in the recognition of right-of-use (ROU) assets and lease liabilities on the accompanying consolidated statements of financial position. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. WatersEdge determines lease classification as operating or finance at the lease commencement date and combines lease and non-lease components in calculating the ROU assets and lease liabilities for its office buildings.

At lease inception, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent, and lease incentives. WatersEdge has made a policy election to use a risk-free rate for the initial and subsequent measurement of all lease liabilities. The risk-free rate is determined using a period comparable with the lease term. The lease term may include options to extend or terminate the lease that WatersEdge is reasonably certain to exercise. Lease expense is generally recognized on a straight-line basis over the lease term.

WatersEdge has elected not to record leases with an initial term of 12 months or less on the accompanying consolidated statements of financial position. Lease expense on such leases is recognized on a straight-line basis over the lease term.

#### 12. Notes Payable

The CEF sells demand and term notes under an Offering Circular. Notes payable are carried at the total principal balance. Interest on notes payable is accrued based upon the principal amount outstanding. Interest on term notes is paid at maturity. Interest on demand notes is paid monthly. The Board approves the methodology used to establish interest rates so that the rates reflect market conditions. Notes payable mature at various dates through December 2027 and bear interest at rates ranging from 1.40% to 4.35%.

#### 13. Deferred Loan Fees

Direct loan costs are offset against loan fees received and only the net amount is deferred and amortized over the life of the loan. The straight line method is used to calculate the monthly loan amortization, which approximates the effective interest method. When a loan pays off early, the remaining amount of unamortized origination fees will be credited to interest income on the day the loan is paid off.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### 14. Liabilities to Beneficial Owners

WatersEdge has recorded liabilities for assets held as trustee, intermediary, custodian, or agent for beneficial owners of income or remainder interests. Generally, the liability of WatersEdge is limited to assets held within a specific trust or account. WatersEdge, however, may be responsible for the payments to annuitants under certain gift annuity contracts out of its own assets.

#### 15. Appropriations to Preserve Principal

According to the terms of certain trust provisions, a portion of income may be added to corpus to preserve the value of the trust corpus according to donor stipulation.

#### 16. Contributions

Contributions are provided to WatersEdge either with or without restrictions placed on the gift by the donor. Revenues and net assets are separately reported to reflect the nature of those gifts – with or without donor restrictions. The value recorded for each contribution is recognized as follows:

#### Nature of the Gift

#### Value Recognized

Fair value

Unconditional gifts, with or without restriction

Received at date of gift – cash and other assets

355615

Received at date of gift – property, equipment and long-lived assets

Estimated fair value

WatersEdge has not received, nor is expected to receive, conditional gifts that depend on WatersEdge overcoming a donor imposed barrier to be entitled to the funds. If this were to occur, the gift would not be recognized until it becomes unconditional. Conditional contributions having donor stipulations which are satisfied in the period the gift is received would be recorded as revenue and net assets without donor restrictions.

Likewise, WatersEdge has not received, nor is expected to receive long-lived assets from donors. If this were to occur, expirations of restrictions for gifts of land, buildings, equipment and other long-lived assets are reported when those assets are placed in service (absent explicit donor stipulations for the period of time that must be held).

When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Gifts and investment income having donor stipulations which are satisfied in the period the gift is received are recorded as revenue and net assets without donor restrictions.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### 17. Recognition of Revenue

Asset management and trust administration fees

Asset management and trust administration fees are collectively recognized over the period that assets are managed in an administered trust. Revenue is reported at the amount of consideration which WatersEdge expects to be entitled in exchange for providing the services. WatersEdge determines the transaction price based on standard fees approved by the board on an annual basis.

#### Ministry accounting fee income

Ministry accounting revenue is recognized as WatersEdge satisfies performance obligations under its service contracts. Revenue is reported at the transaction price which WatersEdge expects to be entitled in exchange for providing services. WatersEdge determines the transaction price based on service contracts or based on a standard rate per hour for special projects and services beyond the scope of signed contracts. Ministry accounting revenue is recognized over the period that services are provided.

#### 18. Endowment

The endowment of WatersEdge consists of individual funds established to provide financial support, in perpetuity, to the ministry of WatersEdge. As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The endowment also includes funds without donor restrictions that have been designated by the Board to function as an endowment.

#### Interpretation of Relevant Law

The Board has determined that the Uniform Prudent Management of Institutional Funds Act (UPMIFA) applies to WatersEdge endowment funds. UPMIFA provides guidance and authority to charitable organizations concerning the management and investment of funds held by those organizations, and UPMIFA imposed additional duties on those who manage and invest charitable funds. These duties provide additional protections for charities and protect the interests of donors who want to see their contributions used wisely.

WatersEdge classifies as net assets with donor restrictions the original value of the gifts donated to the donor restricted endowment and the original value of the subsequent gifts to the donor restricted endowment. Investment income from the donor restricted endowment is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by WatersEdge in a manner consistent with the donor stipulated purpose with the standard of the prudence prescribed by UPMIFA.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Investment Policy Statement - Return objectives and risk parameters

WatersEdge has adopted an investment policy for endowment assets designed to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the future purchasing power of the endowment assets. The fundamental investment objectives for the investments are to ensure safety and preservation of the principal, meet liquidity needs, and apply diversification appropriate for the investment pools to achieve optimal net investment returns subject to risk tolerance, investment pool objectives and policy constraints.

Investment Policy Statement - Strategies employed for achieving objectives

To satisfy its long-term rate-of-return objectives, WatersEdge seeks investment returns through both capital appreciation (realized and unrealized) and current yield (interest and dividends). WatersEdge targets a diversified asset allocation that places a greater emphasis on equity-based and alternative investments to achieve its long-term return objectives within prudent risk constraints.

#### Spending Policy Statement

In making expenditures from endowment funds, WatersEdge first complies with any restriction or requirements in the gift instrument as to purpose and amount. Except as otherwise provided by the gift instrument, the Board considers all relevant considerations including but not limited to the long and short-term needs of WatersEdge in carrying out its purpose, expected total return on investments, and general economic conditions.

The spending or distribution policy as determined under a method adopted by the Board of Directors provides for the establishment of an "annual dividend". The calculation method for the annual dividend considers the prior year's dividend, adjusted for inflation using the Consumer Price Index within a specified range established by the Board.

#### Underwater Endowment Funds

WatersEdge considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. WatersEdge complies with UPMIFA and has interpreted UPMIFA to permit spending from underwater funds in accordance with prudent measures required under the law.

#### 19. Fair Value of Financial Instruments

All financial instruments for which it is practicable to estimate fair value are carried as such in the accompanying financial statements.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### 20. Tax Status

WatersEdge is recognized as a not-for-profit, tax-exempt organization under section 501(c)(3) of the Internal Revenue Code and, as such, is exempt from federal income taxes except for amounts relating to unrelated business income. WatersEdge is an integrated auxiliary of a church; therefore, it is not required to file Form 990. There were no unrelated business income tax liabilities incurred in either 2022 or 2021. Accordingly, no provision for taxes has been made in the accompanying financial statements. WatersEdge believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. However, the statute remains open for all years for state returns not filed. In addition, WatersEdge had net operating loss carryforwards of approximately \$1,902,000 which do not expire but are limited to 80% usage and by siloed unrelated business investments. The generation of the net operating loss carryforward is a result of unrelated business losses from their various partnership investments. There were no material deferred income taxes at December 31, 2022 or 2021 due to valuation allowances associated with deferred income tax assets.

The wholly owned subsidiary of WatersEdge, 25:21 LLC, is an Oklahoma limited liability company and, therefore, is treated as a disregarded entity for income tax purposes. As a disregarded entity, it is exempt from federal and state income taxes except for amounts relating to unrelated business income, of which there was none for 2022 or 2021.

#### 21. Functional Allocation of Expenses

The costs of providing various services, programs and supporting activities have been summarized on a functional basis in the consolidated statement of activities. Note N presents expenses by function and natural classification. Expenses directly attributable to a specific functional area of WatersEdge are reported as expenses of those functional areas while indirect costs that benefit multiple functional areas have been allocated among the various functional areas based on individual cost drivers for each natural classification.

As WatersEdge does not actively solicit contributions for their own benefit, no amounts have been allocated to fundraising activities.

#### 22. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures; accordingly, actual amounts could differ from those estimates.

Material estimates that are particularly susceptible to significant change relate to the determination of the allowance for loan losses and the fair value of investments.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### 23. Revisions

Certain immaterial revisions have been made to the 2021 financial statements for the presentation of deferred loan origination fees. These revisions did not have a material impact on the financial statement line items impacted.

#### 24. Restatements

WatersEdge manages Donor Advised Funds and Single Charity Funds whereby WatersEdge invests assets and makes distributions under the advice of the donor. These funds are owned and controlled by a sponsoring 501(c)(3) organization (WatersEdge) in which the donor has advisory privileges with respect to the distribution or investment of the funds. Upon consideration of Accounting Standards Codification (ASC) 958, WatersEdge has determined that the historical consolidated financial statements for the years ended December 31, 2021 and prior should have reflected these transactions within net assets and on the statement of activities instead of within liabilities held for others. WatersEdge has restated certain financial information for the year ended December 31, 2021.

WatersEdge is the beneficiary of an irrevocable trust held and administered by Citizens Bank & Trust. Upon consideration of ASC 958, WatersEdge has determined that the historical consolidated financial statements for the years ended December 31, 2021 and prior should have reflected these transactions within net assets and on the statement of activities. WatersEdge has restated certain financial information for the year ended December 31, 2021.

The impact of these restatements resulted in an increase to beginning net assets without donor restrictions in 2021 of \$14,488,579 and an increase to beginning net assets with donor restrictions of \$908,422. The impact of the restatement also increased changes in net assets without donor restrictions in 2021 by \$2,776,932 and reduced changes in net assets with donor restrictions in 2021 by \$1,059.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

The information in the following table shows the effect of the restatement on each affected financial statement line item:

	December 31, 2021 As Reported	December 31, 2021 As Restated	Effect of Change	Effect of Revision
Beneficial interest in trust managed by others	\$ -	\$ 907,363	\$ 907,363	\$ -

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### 25. Reclassifications

Reclassifications of prior year comparative information have been made to conform to current year presentation. These reclassifications had no effect on total net assets or the change in net assets.

#### 26. Summarized Prior Year Information

The financial statements include certain prior year summarized comparative totals. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the consolidated financial statements of WatersEdge for the year ended December 31, 2021, from which the summarized totals were derived.

#### 27. Changes in Accounting Principles

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, Leases (Topic 842). ASU 2016-02 requires lessees to recognize a lease liability and an ROU asset on a discounted basis for substantially all leases, as well as additional disclosures regarding leasing arrangements. Disclosures are required to enable users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

In July 2018, FASB issued ASU 2018-11, Leases (Topic 842): Targeted Improvements, which provides an optional transition method of applying the new lease standard. Topic 842 can be applied as of the beginning of the reporting period in which the entity first adopts the leases standard. WatersEdge adopted Topic 842 on January 1, 2022 (the effective date) using the comparatives under ASC 840 transition method, which applies Topic 842 at the beginning of the period in which it is adopted. Prior period amounts have not been adjusted in connection with the adoption of this standard. WatersEdge elected the package of practical expedients under the new standard, which permits entities to not reassess lease classification, lease identification, or initial direct costs for existing or expired leases prior to the effective date. WatersEdge elected to keep short-term leases with an initial term of 12 months or less off the statement of financial position. The adoption did not result in any ROU assets or lease liabilities as all the leases contained termination clauses making the agreements short term.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

#### 28. Recent Accounting Pronouncements

In June 2016, the FASB issued ASU 2016-13, Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (CECL). The ASU changes the way entities recognize impairment of financial assets by requiring immediate recognition of estimated credit losses expected to occur over their remaining life. The CECL model requires entities to present certain financial assets carried at amortized cost, such as loans, at the net amount expected to be collected. The measurement of expected credit losses is to be based on information about past events, including historical experience, current conditions, and reasonable and supportable forecasts that affect the collectability of the reported amount. This differs significantly from the "incurred loss" model required under current GAAP, which delays recognition until it is probable a loss has been incurred. Accordingly, the adoption of the CECL model will affect how the CEF determines the allowance for loan losses. The standard is effective January 1, 2023. The approach for estimating expected life-time credit losses for loans includes the following key components:

- Use of the Weighted Average Remaining Maturity (WARM) method to estimate credit losses by portfolio segment. This historical loss forecast covers the weighted average remaining life of each portfolio segment.
- An initial forecast period of two years for all portfolio segments and off-balance-sheet credit
  exposures. This reflects management's expectation of losses based on forward-looking economic
  scenarios over that time.
- A qualitative loss factor is applied for all portfolio segments and off-balance-sheet credit exposures. This reflects management's expectation of losses based on qualitative factors specific to the CEF.

The adjustment upon adoption at January 1, 2023 will be an overall increase in the Allowance for Credit Losses on Loans (ACL) of less than \$100,000. A liability for allowance for credit losses on unfunded commitments has been estimated to be between \$200,000 and \$300,000 will also be recorded upon adoption. The future effects of CECL on the ACL will depend on the size and composition of the portfolio, the portfolio's loan-to-value ratios, staff experience, changes to loan policies and economic conditions, as well as any refinements to the model, methodology and other key assumptions.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE B - CHURCH BUILDING LOANS RECEIVABLE, NET

WatersEdge provides loans primarily to churches for church building projects. The lending policy of WatersEdge requires church building loans be collateralized by sufficient assets to provide a margin of safety between the loan balance and the value of the underlying collateral securing the loan. When borrowers default on loans, WatersEdge can pursue normal legal actions to foreclose upon or repossess the collateral securing the loan.

The following summarizes loans at December 31:

	 2022	2021		
Church building loans	\$ 160,002,689	\$	142,016,245	
Deferred loan fees	(134,361)		(70,240)	
Participations	 (4,318,335)		(6,735,764)	
Church buildings loans, net of participations	155,549,993		135,210,241	
Less allowance for loan losses	 (1,145,565)		(1,318,536)	
Net church building loans	\$ 154,404,428	\$	133,891,705	

The interest rate on each of the church building loans adjust on a one, three, five, seven, or ten-year basis, dependent on terms selected by the borrower at the time of loan origination.

One church building loan in the amount of \$58,922 was past due over 30 days but less than 90 days at December 31,2022. No church building loans were past due more than 30 days at December 31, 2021.

WatersEdge had one loan on nonaccrual status at December 31, 2022 and 2021. A loan is placed on nonaccrual status when, in the opinion of management, the future collectability of interest or principal, or both, is in serious doubt. Nonaccrual loans negatively impact WatersEdge net interest margin. Had nonaccrual loans performed in accordance with their most recently modified contractual terms, WatersEdge would have recognized additional income of approximately \$14,000 for 2022 and 2021.

WatersEdge had one impaired loan with an unpaid principal balance of \$446,082 and \$464,082 at December 31, 2022 and 2021, respectively. The related allowance for loan losses was \$58,582 and 239,082 at December 31, 2022 and 2021, respectively. Loans are considered impaired when, based on current information and events, it is probable WatersEdge will be unable to collect the full amount of scheduled principal and interest payments in accordance with the original contractual terms of the loan agreement. If a loan is impaired, a specific valuation allowance may be allocated so that the loan is reported net of an allowance for loss. No interest income was recognized on impaired loans subsequent to their classification as impaired in either 2022 or 2021.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE B - CHURCH BUILDING LOANS RECEIVABLE, NET - CONTINUED

This impaired loan resulted from WatersEdge modifying the terms of two church building loans from the same church in 2012. The loan was further modified in 2013 and then again in 2016. Had the terms of the original loans not been modified, interest income of \$19,099 and \$20,842 would have been recorded in 2022 and 2021, respectively. WatersEdge has not written off any principal or previously accrued interest because of either loan modification described above.

The following is a summary of the changes in the allowance for loan losses at December 31:

	2022			2021		
Allowance for loan losses:						
Summary of changes -						
Balance at beginning of year	\$	1,318,536	\$	1,218,380		
Loans charged off		-		-		
Provision for doubtful loans		(172,971)		100,156		
Recoveries of amounts previously charged-off		-		-		
Balance at end of year	\$	1,145,565	\$	1,318,536		
Ending Balances -						
Individually evaluated for impairment	\$	58,582	\$	239,082		
Collectively evaluated for impairment		1,086,983		1,079,454		
	\$	1,145,565	\$	1,318,536		
Loans:						
Ending Balances -						
Individually evaluated for impairment	\$	446,082	\$	7,598,220		
Collectively evaluated for impairment		159,556,607		134,418,025		
	\$	160,002,689	\$	142,016,245		

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE B - CHURCH BUILDING LOANS RECEIVABLE, NET - CONTINUED

To assess the credit quality of loans, WatersEdge classifies loans into risk categories based on relevant information about the ability of the borrowers to service their debts. The information used to classify the loans includes current financial information, historical payment experience, credit documentation, public information, and current economic trends, among other factors. This analysis is performed on a quarterly basis. WatersEdge uses the following definitions for risk classifications:

<u>Pass</u> - Loans that represent reasonable and satisfactory credit risk which requires normal attention and supervision. There are no known potential weaknesses and capacity to repay is not questioned.

<u>Special mention</u> - Loans that have potential weaknesses that deserve management's close attention. These potential weaknesses may result in deterioration of the repayment prospects for these loans at some future date.

<u>Substandard - Performing</u> - Loans that are performing but are considered problems. Loans in this category would include, but not be limited to, borrowers with a weakened financial condition, poor performance history, past dues, and/or loans restructured to reduce payments. In general, these loans have no identifiable loss potential, however, the possibility of a loss developing is heightened.

<u>Substandard - Nonperforming</u> - Loans that have one or more well-defined weaknesses that jeopardize collection of the debt and are inadequately protected by the current collateral pledged, if any. They are characterized by the distinct possibility that WatersEdge will sustain some loss if the deficiencies are not corrected.

<u>Doubtful</u> – Loans that have all the weaknesses inherent in those classified as substandard, with the added characteristics that the weaknesses make collection or full recovery, based on currently existing facts, conditions, and values, highly questionable and improbable.

The following presents a summary of loans by risk category at December 31:

	2022	 2021
Pass	\$ 159,556,607	\$ 136,600,736
Special mention	-	4,951,427
Substandard-performing	-	-
Substandard-nonperforming	446,082	464,082
Doubtful		-
	\$ 160,002,689	\$ 142,016,245

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### **NOTE C - POOLED INVESTMENTS**

Investments of the various funds under management of WatersEdge are primarily held in pooled investments. Pooled investments consist of developed market equities, emerging market equities, fixed income, and alternative investments.

Trust and custodial accounts participate in the respective pools based upon investment models. These models represent ownership percentages designed for various types of trusts and accounts based on the respective needs for current income or capital appreciation. Entry or withdrawal from the pools is based upon the market value of a pool unit. Market value of a pool unit is determined by dividing the total assets by total units outstanding. The following is a summary of assets held in pooled investments at market value at December 31:

	2022	2021
Developed market equities		
Cash and money market accounts	849,087	1,175,666
Marketable equity securities	132,419,864	152,770,615
	133,268,951	153,946,281
Emerging market equities		
Cash and money market accounts	318,948	58,161
Marketable equity securities	32,869,842	36,835,842
	33,188,790	36,894,003
Fixed income		
Cash and money market accounts	1,484,936	527,350
Foreign debt securities	6,670,889	7,524,163
Corporate debt securities	32,768,899	31,717,241
U.S. Government securities	10,716,549	7,622,810
Short Term Investments	1,361,146	868,738
Accrued interest income	416,549	287,308

- (a) This category includes investments in limited partnerships that invest in multiple manager investment programs that seek to invest globally in top-tier distressed and turnaround managers in both private and public markets. The partnerships return capital to investors as underlying investments are liquidated. Redemption by the investor is not permitted.
- (b) This category includes investments in limited partnerships that invest in venture capital. The investment objective is to attain small capitalization equity-like returns. The partnerships return capital to investors as underlying investments are liquidated. Redemption by the investor is not permitted.
- (C) This category includes investments in limited partnerships that invest in private equity partnerships using multiple strategies either by direct investment or by purchase on a secondary market. The investment objective will be to attain equity-like returns over the life of the partnership. The partnerships return capital to investors as underlying investments are liquidated. Redemption by the investor is not permitted.
- (d) This category includes investments in limited partnerships that invest with developers in real estate. The partnerships return capital to investors as underlying investments are liquidated. Redemption by the investor is not permitted.
- (e) This category includes investments in limited partnerships that invest in real assets funds with strategies including oil and gas production, power and energy infrastructure, and oil and gas private equity. The partnerships seek to earn returns that protect the portfolio against inflation. The partnerships return capital to investors as underlying investments are liquidated. Redemption by the investor is not permitted.
- (f) This category includes an investment in a limited partnership which attempts to achieve returns comparable to public markets over a full economic cycle with less volatility by investing both long and short in public companies in emerging markets. Redemption has been requested and should be returned in 2023.
- (g) This category includes investments in limited partnerships that invest in hedge funds using multiple managers and multiple strategies. The goal of each investment is the preservation of capital while seeking to achieve superior, consistent, absolute returns with a risk level comparable to the major bond indices. For all four investments, no redemptions are currently allowed as the funds are in various stages of winding down. The remaining capital will be returned as the funds liquidate holdings and resolve contingent liabilities.
- (h) This category includes investments in limited partnerships that provide comprehensive financing solutions. Redemption by the investor is not permitted.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### **NOTE D - OTHER INVESTMENTS**

The following summarizes other investments at December 31:

	2022		2021	
At market				_
Corporate stocks and mutual funds	\$	6,104,276	\$	11,409,124
Mineral interests		59,819,654		32,678,328
Limited partnerships		12,092,604		9,412,670
At contributed value or cost				
Notes receivable held in trust accounts		150,565		155,810
Real estate		3,730,691		3,596,691
Life insurance, annuity contracts, and other		148,467		148,467
Total	\$	82,046,257	\$	57,401,090

The Limited Partnerships are primarily an investment in a single fund. WatersEdge owned \$11,195,051 and \$8,600,422 of the fund at December 31, 2022 and 2021, respectively. Accounts managed by WatersEdge for clients owned \$897,503 and \$812,198 of the fund at December 31, 2022 and 2021, respectively. WatersEdge uses the NAV to determine the fair value for this limited partnership as it does not have a readily determinable fair value but does prepare their financial statements consistent with the measurement principles of an investment company. There were no unfunded commitments at December 31, 2022 and 2021. The general partner allows redemptions from the fund quarterly with 60 days written notice if cumulative requests from all limited partners does not exceed 1.25%.

The Limited Partnerships also include a single investment managed by WatersEdge for a client in the amount of \$50 at December 31, 2022 and 2021.

In addition to church building loans receivable WatersEdge also has several notes receivable held in trust accounts. WatersEdge does not carry an allowance for loan losses for these notes receivable. WatersEdge also does not record accrued interest on these loans, instead recognizing interest income when collected.

The notes receivable held in trust accounts all have fixed rates. The following is a summary of fixed-rate loans by contractual maturity at December 31:

	2022		2021		
Due in 1 year or less	\$	5,483	\$	5,181	
Due after 1 year through 5 years		24,547		23,471	
Due after 5 years		120,535		127,158	
	\$	150,565	\$	155,810	

Notes receivable held in trust accounts include trusts created to provide student loans. These loans were made in accordance with the terms of the trust document. Also, WatersEdge manages a revocable trust which has provided a loan at the direct instruction of the trustor of the revocable trust.

The various notes receivable are all current. Since none of these loans are past due, all are considered performing. Likewise, none are considered impaired and all are classified as "Pass".

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE E - FAIR VALUE MEASUREMENT OF ASSETS AND LIABILITIES

#### Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

In determining fair value, WatersEdge uses various valuation approaches. ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of WatersEdge. Unobservable inputs reflect the assumption of WatersEdge about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels based on the inputs as follows:

- Level 1 Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3 Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of valuation techniques and observable inputs can vary from security to security and is affected by a wide variety of factors, including the type of security, whether the security is new and not yet established in the marketplace, and other characteristics particular to the transaction. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Those estimated values do not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined. Because of the inherent uncertainty of valuation, those estimated values may be materially higher or lower than the values that would have been used had a ready market for the securities existed.

Accordingly, the degree of judgment exercised by WatersEdge in determining fair value is greatest for securities categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined by the lowest level input that is significant to the fair value measurement.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE E - FAIR VALUE MEASUREMENT OF ASSETS AND LIABILITIES - CONTINUED

Fair Value of Assets and Liabilities

A description of the valuation methodologies and inputs used for assets and liabilities measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy, is set forth below. There have been no significant changes in the valuation techniques during the year ended December 31, 2022. For assets classified within Level 3 of the fair values hierarchy, the process used to develop the reported fair value is described below.

#### Pooled Investments

<u>Developed Market and Emerging Market Equities</u> - Securities classified as developed market or emerging market equities are reported at fair value using Level 1 inputs found on active markets.

<u>Fixed Income</u> - Fixed income securities are reported at fair value. U.S. Government securities are valued using Level 1 inputs. Other fixed income securities including foreign debt securities and corporate debt securities are valued using prices from an independent pricing service utilizing Level 2 inputs. The fair value measurements include observable data that may include dealer quotes, market spreads, cash flows, U.S. Treasury yield curve, live trading levels, trade execution data, credit information and the bond's terms and conditions among other things.

<u>Alternative investments</u> - Margin cash held for futures contracts are reported at fair value using Level 1 inputs found on active markets.

For most alternative investment funds, management determines the fair value based on net asset value per share as permitted by ASU 2009-12. In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position. Additional disclosure on limited partnerships measured at fair value using the net asset value per share is provided in Note C.

For a few alternative investment funds, management determines the fair value based on examining financials statements and other reports provided by the fund manager. This valuation method is a Level 3 input.

<u>Cash and Cash Equivalents</u> - Cash held in each pooled investment classification is measured using Level 1 inputs. Money market accounts held in each pooled investment classification is measured using Level 1 inputs.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### NOTE E - FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS - CONTINUED

Fair Value of Assets and Liabilities - Continued

Other Investments – At Market - Other investments consist of corporate stocks and mutual funds valued using Level 1 inputs by an independent pricing service, and mineral interests. Observable inputs are not available for mineral interests. For mineral interests, management determines the fair value based on an income approach using recent past income produced by the income property. This valuation method is a Level 3 input.

For limited partnerships, management determines the fair value based on net asset value per share as permitted by ASU 2009-12. In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position. Additional disclosure on limited partnerships measured at fair value using the net asset value per share is provided in Note D.

<u>Beneficial Interest in Funds Held by Others</u> – These assets represent a portion of an irrevocable trust held and administered by a trustee for the benefit of WatersEdge. The assets primarily consist of cash and cash equivalents, fixed income securities and mutual funds. Management determines the fair value estimates based on account statements provided by the trustee. This valuation method is a Level 3 input.

<u>Assets Held for Others and Refundable Advances</u> - These liabilities represent the beneficiary's interest in the assets held by WatersEdge. The liabilities are measured using Level 3 inputs that are equal to the fair value of the related assets held by WatersEdge.

#### Fair Value Measurements – Recurring Measurements

Nonrecurring fair value measurements consisted of collateral dependent impaired loans, net of allowance for loan losses, with a Level 3 fair value measurement of \$387,500 and \$0 at December 31, 2022 and 2021, respectively. The estimated fair value of collateral dependent impaired loans is based on the appraised or estimated fair value of the collateral, less estimated cost to sell. Collateral dependent impaired loans are classified within Level 3 of the fair value hierarchy. The CEF considers the appraisal or evaluation as the starting point for determining fair value and then considers other factors and events in the environment that may affect the fair value. Appraisals of the collateral underlying collateral dependent loans are obtained when the loan is determined to be collateral dependent and subsequently as deemed necessary by management. Appraisals are reviewed for accuracy and consistency by management. Appraisers are selected from the list of approved appraisers maintained by management. The appraised values are reduced by discounts to consider lack of marketability and estimated cost to sell if repayment or satisfaction of the loan is dependent on the sale of the collateral. These discounts and estimates are developed by management by comparison to historical results.

#### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

#### **NOTE F - INVESTMENT RETURN**

The following is a summary of the investment return by investment category at December 31:

				2022						
	Assets	ent Return on Net s Without Donor Restrictions	Asse	ent Return on Net ets With Donor destrictions	Investment Return on Liabilities to Beneficial Owners					
Interest, dividends and other investment earnings	\$ 893,920		\$	2,259,771	\$	17,491,091				
Net realized and unrealized gains (losses) on investments		(1,923,845)		6,751,608		(6,569,971)				
	\$	(1,029,925)	\$	9,011,379	\$	10,921,120				
	2021 (Restated - Note A)									
	Investment Return on Net Assets Without Donor Restrictions		Asse	ent Return on Net ots With Donor destrictions	Investment Return on Liabilities to Beneficial Owners					
Interest, dividends and other investment earnings	\$	666,673	\$	718,724	\$	12,444,871				
Net realized and unrealized gains (losses) on investments		1,654,808		3,896,388		71,848,511				
	\$	2,321,481	\$	4,615,112	\$	84,293,382				

#### **NOTE G - PROPERTY AND EQUIPMENT**

Property and equipment consist of the following at December 31:

	 2022	 2021
Office furniture	\$ 352,619	\$ 318,907
Office equipment	65,093	\$ 45,319
Computer equipment	328,458	\$ 327,390
Computer software	430,968	\$ 430,208
Automobiles	402,640	\$ 368,079
Leasehold improvements	322,049	\$ 322,049
	1,901,827	\$ 1,811,952
Accumulated depreciation	 (1,396,032)	\$ (1,256,522)
	\$ 505,795	\$ 555,430

Depreciation expense was \$179,846 and \$244,366 at December 31, 2022 and 2021, respectively.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### **NOTE H - POSTRETIREMENT BENEFITS OTHER THAN PENSIONS**

WatersEdge maintains a plan to provide health, life, and termination benefits to retirees. Estimated costs are recognized over the employee's active service period. The plan, as originally adopted, provided health and life insurance premium coverage for all employees and spouses after ten years of service upon normal retirement. Subsequently, the plan was amended to increase the service period to 15 years and to limit coverage by excluding spouses. This amendment resulted in an unrecognized prior service benefit of \$139,328 and an unrecognized net gain of \$40,618. In 2005, the plan was further amended to eliminate all postretirement health care and life insurance benefits for current employees and life insurance benefits for most of the current retirees. A more complete explanation of this amendment is included below. The plan as adopted and amended is unfunded.

WatersEdge accounts for its postretirement benefit obligations under ASC 715 and ASC 958, which require the funded status of its defined benefit pension and other postretirement plans be fully recognized in the statement of financial position and requires that plan assets and obligations be measured at the year-end statement of financial position date.

The following relates to the postretirement plan of WatersEdge, which has measurement dates of December 31:

2022		2021	
\$	183,634	\$	169,837
	-		-
	201,893		294,724
	385,527		464,561
	23,437		9,722
\$	408,964	\$	474,283
	\$	\$ 183,634 - 201,893 385,527 23,437	\$ 183,634 \$ - 201,893 385,527 23,437

The change in accrued postretirement benefit cost at December 31, is as follows:

	2022		2021
Accrued postretirement benefit cost at beginning of year	\$	464,561	\$ 467,977
Net postretirement benefit cost	31,815		23,915
Benefits paid		(87,412)	(17,609)
Accrued postretirement benefit cost at end of year	<u>-</u>	408,964	474,283
Net loss or (gain) and prior service benefit		(23,437)	(9,722)
Funded status	\$	385,527	\$ 464,561

The activity from unrecognized gains (losses) and changes in prior service benefit of \$27,008 and (\$11,028) for 2022 and 2021, respectively, has been recognized in the 2022 and 2021 Statements of Activities apart from expenses. There is no prior service cost for the plan that will be amortized from changes in unrestricted net assets into net periodic benefit cost over the next fiscal year.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### NOTE H - POSTRETIREMENT BENEFITS OTHER THAN PENSIONS - CONTINUED

The following assumptions were used in accounting for the plan at December 31:

	2022	2021
Weighted-average assumption used to determine		
benefit obligations at December 31,		
Discount rate	5.04%	2.27%
Life Expectancy of Active Participants	16.3 years	14.7 years
Assumed health care cost trend rates at December 31,		
Health care cost trend rate assumed for next year (medical/Rx)	4.30% / 7.50%	3.80% / 6.50%
Rate to which the cost trend rate is assumed to		
decline, the ultimate trend rate (medical/Rx)	4.30% / 4.87%	3.80% / 4.90%
Year that the rate reaches the ultimate trend rate	2030	2029

The following benefit payments, which reflect expected future service, as appropriate, are expected to be paid:

2023	\$ 113,374
2024	14,944
2025	13,391
2026	11,799
2027	146,606
2028-2032	126,743

In December 2003, the Medicare Prescription Drug, Improvement and Modernization Act of 2003 was enacted. Among other features, the Act introduced a prescription drug benefit under Medicare Part D and a federal subsidy to sponsors of retiree health care plans that provide a benefit that is at least actuarially equivalent to Medicare Part D. The effects of this Act were considered in the actuarial valuation prepared by our outside actuary. Based on the actuary's analysis, the prescription benefit coverage provided to retirees under the plan through the medical insurance provider of WatersEdge, Guidestone Financial Resources, is at least actuarially equivalent to those provided by Medicare Part D. Therefore, for purposes of the actuarial valuation, it was assumed that WatersEdge will pay reduced Medicare supplement premiums because of Guidestone receiving the benefits of subsidies.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### NOTE I - CURRENT AND LONG-TERM DEBT OBLIGATIONS

WatersEdge maintains a line of credit in the amount of \$15,000,000, with an additional \$5,000,000 accordion feature. The debt bears interest at a variable rate, which was 5.65% at December 31, 2022, and has a maturity of September 27, 2023. The outstanding principal balance of the line of credit was \$2,553,244 and \$400,000 at December 31, 2022 and 2021, respectively. Regular payments of accrued interest are due monthly, with all outstanding principal plus all nonpaid accrued interest due upon maturity. WatersEdge has pledged an investment account that is held in custody at Bank of Oklahoma as collateral on this note with a fair value of approximately \$123,895,016 and \$143,768,000 at December 31, 2022 and 2021, respectively.

In 2017, WatersEdge acquired financing from Bank of Oklahoma which was then used to fund a loan to the Convention on like terms. In 2019, the Convention provided a full payoff on their loan. However, to avoid prepayment penalties at Bank of Oklahoma, WatersEdge did not make a corresponding payoff. The outstanding principal balance of the debt was \$2,108,810 at December 31, 2021 but was paid in full at maturity in 2022. WatersEdge pledged the same investment account that is held in custody at Bank of Oklahoma as collateral on this debt with a value of approximately \$143,768,000 at December 31, 2021.

WatersEdge obtained an unsecured line of credit in the amount of \$2,000,000 in 2022. The debt bears interest at a variable rate, currently at 6.1%, and has a maturity of March 27, 2023. WatersEdge has made no draws on the line of credit and there is no outstanding balance as of December 31, 2022.

WatersEdge is subject to various loan covenants and was following all covenants at December 31, 2022. All principal payments are scheduled to be due in 2023 and will be repaid, unless the line of credit is renewed.

### **NOTE J - NOTES PAYABLE**

Through the Circular, which was renewed on May 1, 2022, the CEF offered notes payable in the aggregate principal amount of \$175,000,000. The Circular was prepared in compliance with the North American Securities Administrators Association, Inc. (NASAA) Statement of Policy for offerings of securities. The following are presently offered Notes:

<u>Demand Notes</u> - Demand notes accrue interest at a rate that is adjusted monthly. Additions of principal and partial withdrawals are permitted at any time without any penalty. Interest is paid on the last day of each month.

<u>Term Notes</u> – Term notes accrue interest at a rate that remains fixed throughout its term. Available terms range from one month to five years. Interest is paid at maturity.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### **NOTE J - NOTES PAYABLE - CONTINUED**

A summary of notes payable is as follows:

	 2022	 2021
Demand notes	\$ 31,665,959	\$ 26,020,406
Term notes	66,035,180	56,189,047
	\$ 97,701,139	\$ 82,209,453

Scheduled maturities of term notes payable, at December 31, 2022:

2023	51,958,279
2024	10,647,519
2025	1,352,606
2026	743,356
2027	1,333,420
	\$ 66,035,180

Per NASAA Statement of Policy, the Church Extension Fund must maintain cash, cash equivalents, readily marketable securities, and available lines of credit less accounts payable of at least 8% of the principal balance of its outstanding notes payable. The following presents total liquid assets as a percentage of outstanding notes payable for the years ending December 31:

	2022	2021
Cash and cash equivalents	\$ 7,554,834	\$ 7,810,226
Certificates of deposit	-	1,618,277
Readily marketable securities	569,089	593,601
Immediately available funds from line of credit (limited to 2% of outstanding notes payable)	1,954,023	-
Accounts payable to affiliate	(81,929)	(56,051)
Total liquid assets	\$ 9,996,017	\$ 9,966,053
Outstanding notes payable	\$ 97,701,139	\$ 82,209,453
Total liquid assets as a percentage of outstanding notes payable	10.2%	12.1%

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### **NOTE K - LIABILITY TO BENEFICIAL OWNERS**

WatersEdge was formed to administer funds and receive property on behalf of its principal affiliates, Baptist churches and associations, and various other Baptist organizations. In its capacity as trustee, administrator, custodian or agent, WatersEdge holds assets for these organizations. In addition, WatersEdge acts as trustee under revocable and irrevocable agreements in which donors have retained interest in income, principal, or both.

The following summarizes categories of arrangements under which WatersEdge has liabilities to these beneficial owners.

	2022		2021		
Liabilities to income beneficiaries under split-interest agreements	,	_	Re	estated - Note A	
Gift annuity contracts	\$	2,857,116	\$	2,804,627	
Irrevocable trust agreements		2,523,742		3,144,506	
	\$	5,380,858	\$	5,949,133	
Assets held for others					
Assets held as trustee under permanent endowments	\$	246,801,870	\$	253,272,368	
Assets held under agreements with affiliated entities to administer endowments or other trust funds		95,896,167		99,095,315	
Remainder interests under gift annuity contracts, and					
irrevocable trust agreements		8,478,111		6,321,220	
	\$	351,176,148	\$	358,688,903	
Refundable Advances					
Assets held under custodial arrangements with affiliated entities	\$	147,668,445	\$	127,843,192	
Conditional transfers from donors		2,854,569		3,653,192	
	\$	150,523,014	\$	131,496,384	

### <u>Liabilities to Income Beneficiaries under Split-Interest Agreements</u>

Obligations to make future payments to income beneficiaries of split-interest agreements are discounted at 5% which equals the estimated long-term return on investments. Those payments which are for life are estimated using 1999 IRS unisex tables.

<u>Gift Annuity Contracts</u> - These agreements have been entered between WatersEdge and a donor under which WatersEdge has agreed to pay a specified amount, at least annually, to a non-charitable income beneficiary. Typically, income payments are for life. The liability to income beneficiaries represents a general liability of WatersEdge. This liability is equal to the present value of estimated future payments.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### NOTE K - LIABILITY TO BENEFICIAL OWNERS - CONTINUED

<u>Irrevocable Trust Agreements</u> - The balances represent the present value of estimated future payments to non-charitable beneficiaries under irrevocable trusts. This includes amounts estimated to be payable to beneficiaries of charitable remainder annuity trusts, charitable remainder unitrusts and other trusts whose remainder beneficiaries may be partially non-charitable.

### Assets Held for Others

Assets Held as Trustee under Permanent Endowments - WatersEdge acts as trustee for numerous permanent charitable endowment trusts. These trusts generally benefit the Convention and its affiliates or other Southern Baptist affiliated institutions. Earnings from these funds are disbursed based upon the spending policy of WatersEdge. While WatersEdge will administer these assets in perpetuity, the rights to enjoyment of benefits are vested in the income beneficiaries.

Assets Held under Agreements with Affiliated Entities to Administer Endowments or Other Trust Funds - WatersEdge holds, invests, and administers assets under trust agreements that name the Convention or its affiliates as trustee. These trusts are administered in a manner identical to those trusts in which WatersEdge is named trustee.

Remainder Interests under Gift Annuity Contracts, and Irrevocable Trust Agreements - These balances represent the remainder interest in assets subject to payments to income beneficiaries as discussed above. Where agreements ultimately benefit WatersEdge, remainder interests are included under net assets with donor restrictions.

### Refundable Advances

Assets Held under Custodial Arrangements with Affiliated Entities - WatersEdge holds and invests assets for the Convention and its affiliates in a custodial capacity. The balances represent the WatersEdge liability to return balances to these affiliates. These funds are generally invested in the investment pools in ratios selected by the owner.

<u>Conditional Transfers from Donors</u> - WatersEdge receives assets as trustee under agreements that are revocable or provide that trust corpus may be invaded for the benefit of the grantor or a non-charitable beneficiary. Because these assets may be withdrawn by revocation or through consumption by non-charitable beneficiaries, they are considered to be conditional transfers. To the extent WatersEdge is an ultimate beneficiary under these agreements, a contribution will be recognized when all conditions are met, which is typically when the trust becomes irrevocable and the rights of non-charitable beneficiaries to corpus lapse.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### NOTE L - BOARD DESIGNATIONS FOR NET ASSETS WITHOUT DONOR RESTRICTIONS

The Board of WatersEdge, through specific action, created self-imposed designations on unrestricted net assets to protect against certain risks and provide funds for opportunities and expansion. The Board has earmarked net assets without donor restrictions for the following purposes at December 31, 2022 and 2021, respectively as follows:

	2022	2021
Funds functioning as endowment	\$ 580,130	\$ 639,640
Annuity reserve	344,216	469,548
Opportunity reserve	945,876	840,514
Operating reserve	3,189,206	3,292,672
Endowment matching funds	2,724	674
	\$ 5,062,152	\$ 5,243,048

The Board has designated funds to function as endowment to provide, on an ongoing basis, a supplemental revenue source to fund operating expenses. These funds are subjected to investment and spending policies for endowments as more fully described in Note A and M. Annually funds are appropriated from this designated account to meet cash needs for general expenditure within one year.

WatersEdge does not pool investments for gift annuities because each gift annuity contract has a different remainder beneficiary. Instead, assets for each gift annuity contract are invested and accounted for in separately managed accounts. Upon termination of each contract, WatersEdge allocates all residual funds to the remainder beneficiary as prescribed in the contract. In the event assets in one of these separately managed accounts depletes during the lifespan of the gift annuity contract, WatersEdge continues paying the obligation from its unrestricted net assets. The Board has designated funds for the satisfaction of this potential obligation.

The opportunity reserve provides funds for potential investments that expand the ability of WatersEdge to provide services.

The operating reserve provides funds to ensure the financial stability of WatersEdge during times of economic stress. The Board has a desire to maintain financial assets in reserve to meet 180 days of normal operating expenses. While Board designated, these funds are intended to be made available for general expenditure, if necessary.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### **NOTE M - ENDOWMENTS**

The endowments of WatersEdge consist of individual funds established to provide financial support to the ministries served by WatersEdge in perpetuity. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The endowment funds also include funds without donor restrictions that have been designated by the Board to function as an endowment. Endowment net asset composition by type of fund is as follows:

	2022		2021	
		_	Rest	tated - Note A
Board designated endowment funds	\$	580,130	\$	639,640
Donor restricted endowment funds				
Beneficial interest in trusts managed by others		763,652		907,363
Subject to expenditure for a specified purpose				
Student scholorships and other charitable causes		20,191,327		13,583,533
Subject to the appropriation (original gift amount of \$5,702,416				
and \$5,686,432 as of 2021 and 2020, respectively) which once				
appropriated is available for general needs and expenses of				
WatersEdge		9,729,496		8,097,293

Changes in endowment net assets for the years ending December 31, are described below:

						2022								
	Without Donor Restrictions		in trus	Beneficial interest With Donor in trusts managed by others With Donor Restrictions - for a Specified Purpose		With Donor Restrictions - Subject to Appropriation		Total With Done Restrictions						
Endowment assets at beginning of year Contributions Investment return Other	\$	639,640 - (26,587) (989)	\$	907,363 - (126,859) -	\$	13,583,533 202,816 7,028,129 (84,199)	\$	8,097,293 15,984 2,110,109 2,829,865	\$	22,588,189 218,800 9,011,379 2,745,666				
Appropriations Endowment assets at end of year	\$	(31,934) 580,130	\$	(16,852) 763,652	\$	(538,952) 20,191,327	\$	(3,323,755) 9,729,496	\$	(3,879,559)				
					)21 - Re	estated - Note A		_						
	Without Donor Restrictions		Without Donor Restrictions		=		Bene	ficial interest		With Donor	Re	With Donor estrictions -		
				sts managed v others		rictions - for a		Subject to propriation		al With Donor estrictions				
Endowment assets at beginning of year Contributions Investment return Other Appropriations				sts managed y others 908,422 - 122,727 - (123,786)		rictions - for a cified Purpose 10,466,382 844 3,607,379 (33,145) (457,927)		Subject to opropriation 7,399,298 89,753 885,006 2,927,902 (3,204,666)						

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or UPMIFA requires WatersEdge to retain as a fund of perpetual duration. These deficiencies result from unfavorable market fluctuations that occur after the investment of new contributions for donor restricted endowment funds. WatersEdge had no underwater endowment funds at December 31, 2022 and 2021.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### NOTE N - EXPENSES BY BOTH FUNCTION AND NATURE

The cost of providing the various programs, activities, and general support of WatersEdge have been summarized on a functional basis. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Allocated expenses include depreciation and occupancy, and salaries and benefits. Depreciation and occupancy are both allocated based on square footage, and salaries and benefits are allocated based on estimates of time and effort.

As WatersEdge does not actively solicit contributions for their own benefit, no amounts have been allocated to fundraising activities.

				2022

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### **NOTE O – LIQUIDITY AND AVAILABILITY OF RESOURCES**

The following tables reflect the financial assets of WatersEdge at December 31, reduced by amounts not available for general use within one year either because of donor-imposed restrictions, illiquidity, or Board designation for a specific use. For purposes of liquidity analysis, financial assets can be obtained by excluding prepaid assets, real estate, and property and equipment from total assets on the statement of position.

WatersEdge maintains reasonable liquidity to meet the anticipated needs of the maturing notes payable by meeting the minimum NASAA liquidity requirements.

In addition, the management of the liquidity requires financial assets to be structured with availability as general expenditures, liabilities, and other obligations come due. To accomplish this, WatersEdge divides liquidity management into distinct segments as shown below.

	2022									
	Church Extension Fund		Other Foundation Net Assets			Assets Administered as Trustee, Custodian or Agent		Total

WatersEdge manages investments for both itself under donor-imposed restrictions and for other beneficial owners. Investment of these assets follow policies approved by the Board as well as prescribe to asset allocations approved by the Investment Committee of the Board. These asset allocations consider the liquidity needs of the portfolio, including but not limited to, investment managers calling uncommitted funds, annual endowment spending, and potential client redemption requests. The investment and spending policies are explained in further detail in Note A, while the investment allocation, and redemption restrictions are shown in Note C.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### NOTE O - LIQUIDITY AND AVAILABILITY OF RESOURCES - CONTINUED

To help manage unanticipated liquidity needs, WatersEdge has committed to a line of credit of \$15,000,000, with an additional \$5,000,000 accordion feature if needed, which it could draw upon. As discussed in Note I, the outstanding principal balance of this line of credit was \$2,553,244 and \$400,000 at December 31, 2022 and 2021, respectively. This line could allow the funding of committed capital without requiring the sale of equities and bonds at deflated prices in a depressed economic environment. This line could also help fund strategic support to the Convention and institutions affiliated with the Convention as requested or fund operations in a crisis.

WatersEdge has also committed to a line of credit of \$2,000,000 which it could draw upon. As discussed in Note I, this line of credit remains unused. This line of credit could allow the funding of loan advances or the redemption of notes payable in the event cash flow from loan payments or the sale of notes payable were temporarily insufficient.

Financial assets available to meet cash needs for general expenditures within one year, after board designations, were \$5,168,106 and \$8,463,982 at December 31, 2022 and 2021. Assets of \$5,168,106 at December 31, 2022 can cover 196 days of general expenditures based on a 2023 operating budgeted expenditures of \$9,620,000. These assets are comprised of cash and cash equivalents, short term receivables, and pooled investments. In addition to covering general expenditures, these financial assets are available to meet the anticipated needs of the notes payable as demonstrated in Note J by meeting the NASAA liquidity requirements.

Additionally, WatersEdge has Board designated funds that, while not intended to be spent on purposes other than those identified, could be made available, if necessary. Collectively, these designated funds were \$5,062,152 at December 31, 2022 and can cover an additional 192 days of general expenditures. As a matter of practicality, it is possible the total of Board designated funds which could be made available would be reduced since the Board designated funds invest in internally managed common funds which each may contain investments with lock-up provisions.

Cash and cash equivalents are currently available. Operating receivables have varying degrees of availability, but generally convert to cash within 30 days. Pooled investments can be liquidated at the end of each month once WatersEdge completes the monthly valuation of its common funds. The appropriated endowment distribution is received at the end of each quarter.

WatersEdge owes \$31,665,959 in principal to holders of demand notes and \$51,958,279 in term notes that are scheduled to mature during 2023. See Note J for the scheduled maturities of all notes. Demand notes may be redeemed in whole or in part, at the option of the registered holder; however, the CEF reserves the right to require two business days' notice. Similarly, term notes may be redeemed, subject to the availability of funds, at the option of the registered holder, with the consent of WatersEdge, upon two business days' written notice and subject to early redemption penalties if redeemed prior to maturity.

In addition to funding note redemptions, WatersEdge must also fund its outstanding loan commitments of approximately \$43,682,000 as of December 31, 2022, the majority of which are expected to require funding during 2023 and 2024. Historically, WatersEdge has been able to meet the loan funding requirements through a combination of existing cash and investments on hand and cash generated from loan repayments and the sale of notes payable.

December 31, 2022

### **NOTE P - AFFILIATED ENTITIES**

Most of the funds administered by WatersEdge are for the benefit of the Convention, its principal affiliates, Baptist churches and associations and various other Baptist organizations.

WatersEdge administers the following funds for the Convention and its affiliates in either a trustee or custodial capacity. Liabilities to affiliated entities were as follows at December 31, 2022 and 2021, respectively: the Convention, approximately \$55,058,000 and \$54,599,000, Oklahoma Baptist University, approximately \$202,035,000 and \$200,288,000, Oklahoma Baptist Homes for Children, Inc., approximately \$101,220,000 and \$100,027,000, and Baptist Village Communities of Oklahoma, Inc., approximately \$46,897,000 and \$38,127,000. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Convention at its annual meeting.

WatersEdge receives appropriations from the Cooperative Program of the Convention. The appropriations received in 2022 and 2021 were \$24,767 and \$24,339, respectively. As discussed in Note Q, WatersEdge has leased office facilities from the Convention and Oklahoma Baptist University.

WatersEdge makes loans to churches, associations and agencies affiliated with the Convention to finance the purchase of land and buildings. These loans are secured by first mortgages on the property and buildings constructed. The lives of these loans vary, in most cases, up to a maximum of 25 years. Interest rates are set by WatersEdge Loan Services Committee with consideration given to the current rates available from commercial sources. The balance of church building loans outstanding was \$160,002,689 and \$142,016,245 at December 31, 2022 and 2021, respectively. An allowance of \$1,145,565 and \$1,318,536 for uncollectible loans was recorded at December 31, 2022 and 2021, respectively. The balance for participations agreements with other Baptist foundations was \$4,318,335 and \$6,735,764 at December 31, 2022 and 2021, respectively.

In 2020, WatersEdge purchased a church camp facility. In conjunction with the purchase, WatersEdge executed a lease agreement with the Convention for two lots in Falls Creek Baptist Conference Center where the facility is located. The lease has a term of twenty-five years, including an option to renew with substantially similar terms. The lease was obtained at no current cost or future financial obligation. WatersEdge subsequently arranged, through an operating agreement, for the Convention, to maintain the facility and secure tenants. WatersEdge agreed to pay the Convention \$1,000 per year for these services. Included in the operating agreement is a purchase option for the Convention to purchase the cabin. The purchase option is open for a term of five years. The convention paid WatersEdge \$5,000 to secure the purchase option. The purchase price will be determined on the date of execution by netting the original purchase price paid by WatersEdge with net revenue, rental payments received from tenants less costs to maintain the property.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### **NOTE Q - LEASES**

Nature of Leases

WatersEdge has entered into the following short-term lease arrangements:

WatersEdge conducts operations in Oklahoma City and Shawnee. In Oklahoma City, WatersEdge has two lease agreements for facilities. An agreement with the Convention is for a short-term lease of one year ending in December 2023. An agreement with Crown Heights Baptist Church was added in May 2022 and is for a short-term lease of one year ending in May 2023. This lease will not be renewed.

In Shawnee, WatersEdge leases a facility from Oklahoma Baptist University. The lease has a term of 3 years but is cancelable by either party with ninety days written notice, which causes the lease to be considered short-term.

Total short-term lease cost included in operating expenses for the year ended December 31, 2022 and 2021 was \$218,399 and \$210,555, respectively.

If cancellation provisions in short-term leases are not exercised, future minimum lease payments, which will be expensed over straight-line basis, at December 31, 2022 are:

2023	\$ 215,272
2024	15,694
2025	10,640
	\$ 241,606

WatersEdge lease agreements do not contain any material residual value guarantees or material restrictive covenants.

### **NOTE R - PENSION PLAN**

All full-time employees and part-time employees of WatersEdge who regularly work at least 20 hours per week are eligible to participate in a 403(b) defined contribution pension plan administered by the Guidestone Financial Resources of the Southern Baptist Convention. Under the plan, WatersEdge contributes an amount equal to 10% of participating employees' salaries. In addition, WatersEdge matches employee contributions up to a maximum of an additional 5%. The amount of the match an employee is eligible for is determined by the number of years of employment. Employee contributions are voluntary. Total pension expense was \$392,373 and \$362,643 at December 31, 2022 and 2021, respectively. WatersEdge policy is to fund pension cost as it is incurred.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### NOTE S - COMMITMENTS, CONTINGENCIES, AND CREDIT RISK

WatersEdge had outstanding church building loan receivable commitments totaling approximately \$43,682,000 and \$40,173,000 at December 31, 2022 and 2021, respectively.

WatersEdge had unfunded commitments to purchase units of alternative investments measured at NAV totaling approximately \$89,221,000 and \$103,376,000 at December 31, 2022 and 2021, respectively and unfunded commitments to purchase units of alternative investments measured by methods other than NAV of approximately \$3,288,000 and \$2,602,000 at December 31, 2022 and 2021, respectively.

WatersEdge has extended a line of credit to the Convention in the amount of \$1,000,000. The line of credit was unused during 2022 and 2021.

From time to time, WatersEdge may be involved in legal matters arising in the normal course of activities. In the opinion of management, the ultimate liability, if any, with respect to these matters will not have a materially adverse effect on the financial position or activities of WatersEdge.

WatersEdge holds a variety of investments, the underlying securities of which are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of investment securities would occur in the near term and that such change could materially affect the amounts reported in the financial statements.

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### **NOTE T – SIGNIFICANT ESTIMATES AND CONCENTRATIONS**

GAAP requires disclosure of certain significant estimates and current vulnerabilities due to certain concentrations. Estimates related to the allowance for loan losses are reflected in Note B. Current vulnerabilities due to certain concentrations of credit risk are discussed in Note S.

### Loan Concentrations:

At December 31, 2022 and 2021, no borrowers had an outstanding balance greater than 5 percent of total loans. At December 31, 2022 and 2021, borrowers were concentrated (greater than 10% of the total church building loans) in the following states:

	Count	Amount	
2022:			
Oklahoma	121	\$48,033,822	30%
Missouri	20	19,373,578	12%
Colorado	13	19,165,829	12%
Ohio	17	17,205,870	11%
2021:			
Oklahoma	127	\$52,677,941	37%
Missouri	20	17,901,042	13%
Colorado	11	15,937,614	11%

### Notes Payable Concentrations:

Excluding the denominational note payable, the CEF had two investors with an outstanding balance greater than five percent of total notes payable at December 31, 2022. One investor met this threshold at December 31, 2021 and there were no investor concentrations at December 31, 2020. Excluding the denominational note payable, at December 31, 2022, 2021 and 2020, investors were concentrated (greater than 10% of total notes payable) in the following states:

	Count	Amount	
2022:			
Oklahoma	535	\$55,450,095	57%
Colorado	91	14,290,544	15%
2021:			
Oklahoma	532	\$49,406,453	60%
Colorado	88	10,909,785	13%

### CONSOLIDATED NOTES TO FINANCIAL STATEMENTS

December 31, 2022

### **NOTE U - SUBSEQUENT EVENTS**

WatersEdge had no subsequent events through April 20, 2023, which is the date the financials were available to be issued, requiring recording or disclosure in the financial statements for the year ended December 31, 2022.
