THE STORY BEHIND OUR NAME

Rooted in Scripture, the WatersEdge name was inspired by the many miraculous biblical events that occurred at or near the water's edge, from Moses parting the Red Sea to Jesus calling His first disciples on the shore of the Sea of Galilee in Luke 5. The latter most directly represents the hope that illuminates the WatersEdge name — lives so transformed by an encounter with Christ that these men were willing to leave everything to follow Him. It is this kind of radical change that drives WatersEdge to financially empower donors and ministries to transform lives with the Gospel.

Your Impact

At WatersEdge, we believe every person and every ministry has the potential to make a Kingdom impact — today, and in eternity.

That's why we've spent the past 75 years providing biblically grounded charitable and financial services to thousands of Christ-followers, Southern Baptist and faith-aligned churches, as well as Christian ministries, organizations and institutions.

But nothing we do would be possible without you.

Your generosity is accomplishing the God-sized vision of providing \$25 million to ministry annually by 2025 — a number so bold it seemed impossible when it was adopted by WatersEdge in 2013. But thanks to you, we've hit our targets every year, and by 2025, the initiative's total distributions to ministry are projected to exceed \$300 million.

Your trust is the reason we manage hundreds of millions in charitable assets for the benefit of churches, ministries, institutions and other faith-aligned organizations across the United States. When WatersEdge began in 1946, that number was less than \$77,000.

These dollars represent transformed lives and strengthened ministries. They represent the faithful giving of generations of Christ-followers and the faithful work of countless individuals who've served Christian organizations. These dollars build churches; they provide scholarships for college students seeking a Christ-centered education; they empower missionaries to reach the ends of the earth with the Gospel.

You can be part of this legacy. Your church, ministry or institution can be part of this legacy. How can WatersEdge help you make a Kingdom impact?

The First Gift: R.A. Lemen

In 1944, an Oklahoma businessman named R.A. Lemen gave what would become the first gift received by WatersEdge — 615 acres of land in the Texas panhandle. Lemen's vision was to provide the support needed to send a missionary to China.

The land was sold for \$32,000 and the funds placed into an endowment for the benefit of the International Mission Board (IMB). Today, the R.A. Lemen Trust is valued at more than \$194,000 and distributes nearly \$9,000 to IMB every year. Since 1946, Lemen's gift has distributed more than \$455,000 to international missions and will continue supporting IMB's work to spread the Gospel across East Asia in perpetuity.

Kingdom Investments For Individuals

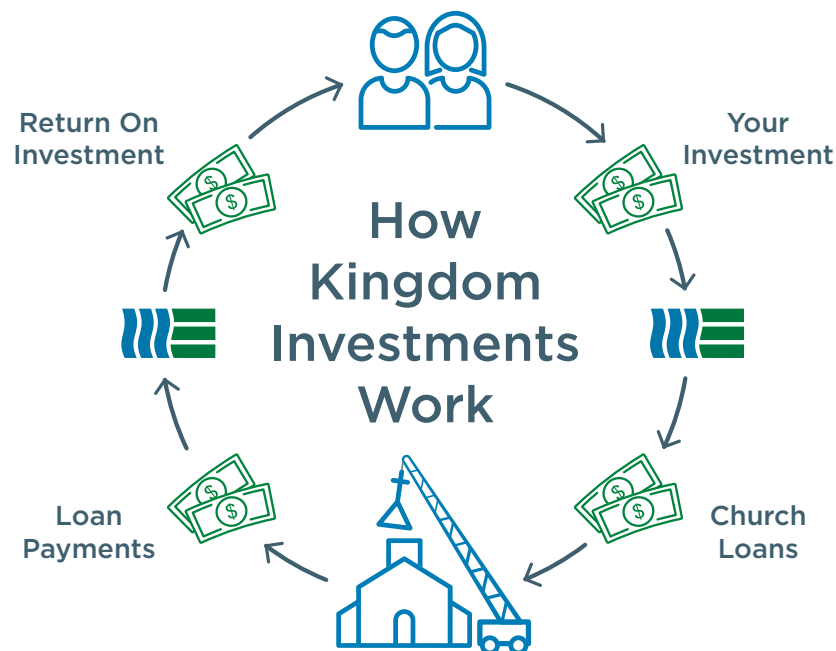

Kingdom Investments are designed to create income. These investment opportunities are ideal for individuals, trusts, or businesses that seek steady growth of cash assets and desire to avoid volatility associated with stocks and bonds.

WatersEdge offers two options through Kingdom Investments: Demand Investments and Term Investments. Demand Investments provide you with the flexibility to withdraw funds on demand without penalty (high liquidity), while Term Investments feature a short-to mid-term investment time frame. Both options offer excellent yields.

Kingdom Investments are backed by our robust Ministry Loan portfolio and more than 65 years of lending experience. WatersEdge uses your invested dollars to provide competitive loans to churches seeking to purchase, build, renovate or refinance their facilities. The loan interest paid by these congregations provides the return on your investment. It's a win-win for you and for churches.

Visit **WatersEdge.com/invest** for investment rates, minimums, fees, eligibility and other information about Kingdom Investments.

WatersEdge securities are subject to certain risk factors as described in our Offering Circular and are not FDIC or SIPC insured. This is not an offer to sell or solicit securities. WatersEdge offers and sells securities only where authorized; this offering is made solely by our Offering Circular.

KEY BENEFITS

1

2

Lock In Rates

Avoid the ups and downs of the stock market; fixed yields on Term Investments mean you can grow cash with less volatility.

Estate Planning

Everything we have is a gift from God. Kingdom-minded estate planning acknowledges Christians' roles as stewards of these gifts. We're commanded to use them for His glory during our lifetime and beyond.

An estate plan is a set of essential legal documents (including your will) that settles critical end-of-life issues. It allows you to pass on possessions according to your wishes, leave instructions for your care if you become ill or incapacitated, choose a guardian

for children under age 18, and support charitable causes you care about.

Estate planning can be complicated and expensive, but not with WatersEdge. We simplify the process using online tools and personal guidance from certified estate planning professionals. Plus, estate planning with WatersEdge is very affordable. That's because we will reimburse a portion of the legal fees associated with the creation of your plan if it includes a qualifying gift to ministry.*

HOW IT WORKS

4 SIMPLE STEPS

1

Complete The Estate Planning Guidebook

Our comprehensive guidebook will help you think through important estate planning decisions and gather relevant information.

3

Finalize Your Plan

Next, we'll send your guidebook to an attorney of your choice who will draft your documents. You will then work directly with your attorney to complete and sign your estate plan.

2

Connect With Our Estate Planning Professionals

Once you've submitted your guidebook, we'll review it and reach out to help you answer questions or complete any missing information.

4

Receive Reimbursement

WatersEdge will reimburse a portion of the legal fees associated with creating or updating your estate plan if your plan includes a gift for the benefit of an approved ministry of your choice.*

*The most common way to qualify for legal fee reimbursement is to leave a gift in your estate plan of at least 10 percent of your estate (or an amount of \$50,000 or greater), at least 50 percent of which is for the benefit of an approved Ministry Partner. See a list of WatersEdge Ministry Partners at [WatersEdge.com/MinistryPartners](https://www.watersedge.com/MinistryPartners). Contact us for other ways to qualify for a legal fee reimbursement.

"I think having an estate plan is important because God has given us stewardship over our lives, and we want to honor and glorify Him in every aspect. This is something that everybody needs to do. Don't put it off."

Trust Administration

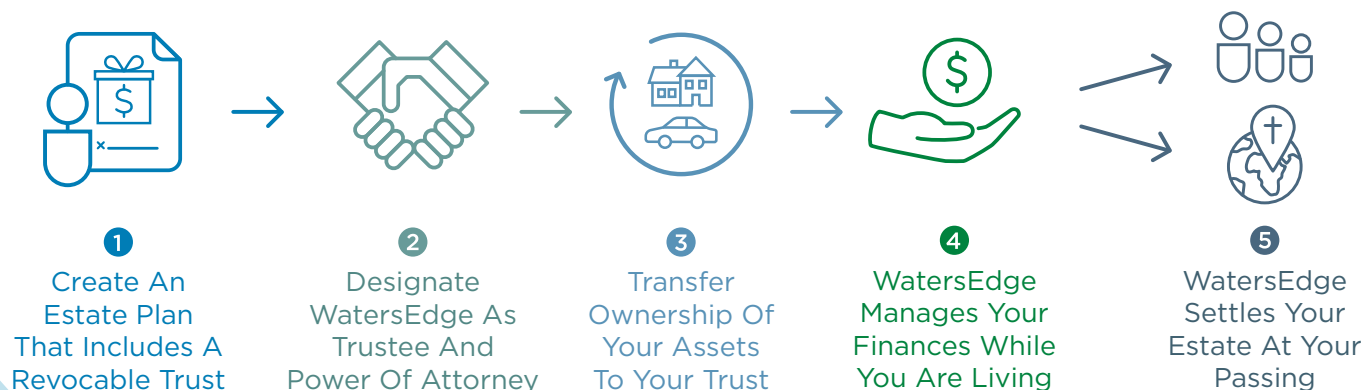

Trust administration empowers WatersEdge to manage your finances on your behalf while you are living and to oversee the settlement of your estate after your death if desired or needed.* These services are designed for single or married senior adults who lack the necessary family support to meet these needs, and who have a strong desire to use their estate for charitable purposes.

Trust administration is an extension of the estate planning process. When you create or update an estate plan through WatersEdge, you'll have the option to establish a revocable (or

irrevocable) trust. If at least 25% of the trust is a charitable gift, you may be able to designate WatersEdge as your trustee.* You may also choose to name WatersEdge as your power of attorney. These designations allow us to manage your finances while you are living, including paying bills, overseeing investments, and filing your taxes.

At your death, WatersEdge will coordinate the settlement of your estate, ensuring your possessions are distributed according to your wishes, including charitable gifts to your church or other ministries you wish to support.

HOW IT WORKS

KEY BENEFITS

1

Never Worry About Managing Finances

As your trustee, WatersEdge will handle day-to-day finances for you — like paying bills, managing investments, and filing taxes — for the rest of your life.

2

Peace Of Mind

Rest easy knowing that you've settled important end-of-life decisions by entrusting WatersEdge to carry out your wishes.

3

Impact Kingdom Causes

After your passing, we'll distribute your possessions according to your estate plan, ensuring charitable gifts reach the Kingdom causes you've chosen.

*WatersEdge may serve as agent of your estate only if the estate is highly charitable and complies with the Oklahoma Charitable Fiduciary Act (OCFA) and with the WatersEdge Gift Acceptance Policy.

“When I first started with WatersEdge, it was just for my will. Now, almost 30 years later, my confidence in them has grown. I highly recommend their trust administration services — it’s the best thing I know of for your personal life.”

Donor Advised Fund

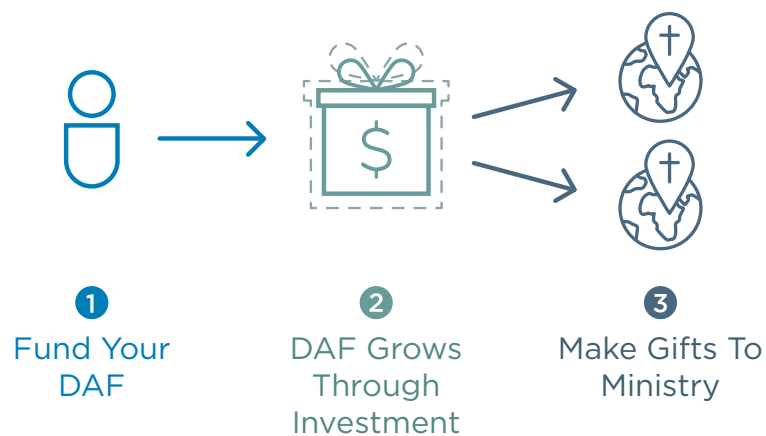

A donor advised fund, or DAF, is a popular tool for charitable giving because it maximizes tax benefits, multiplies your gift's impact, and simplifies the giving process.

Think of a DAF like a savings account for all of your giving. Instead of writing multiple checks to individual ministries, you contribute

to your DAF account and receive an immediate tax deduction.

Those contributions are invested and grow tax-free. You decide which ministries to support and how often. When you're ready to make a gift (grant) from your DAF, WatersEdge sends the check on your behalf with the click of a button — no paperwork, no fuss.

HOW IT WORKS

KEY BENEFITS

1 Enjoy Flexibility And Convenience

Contribute cash, stocks, property, or other assets. Make gifts (grants) as often as you like; we'll handle the paperwork for you.

3 Multiply Your Giving

Contributions are invested and grow over time to maximize charitable impact. All growth is tax-free.

2 Reap Tax Advantages

Contributions are immediately tax-deductible. You'll pay no capital gains tax on donations of appreciated assets, including stocks and real estate.

4 Avoid Fees With WatersEdge

There are no fees to open an account or process grant requests. A fee-free DAF is one option available to ensure every penny of your giving impacts ministry.

"Most people are waiting for some big reason to give. They think, 'Well, my gift is small. It doesn't matter.' But everything matters. If it's a gift the Lord told you to give, then give and be obedient. You're not going to get to those big things until you're faithful with the small things."

Single Charity Fund

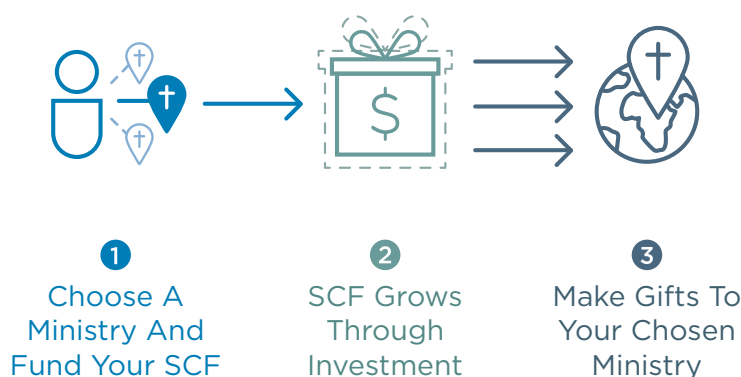

A single charity fund, or SCF, is the perfect giving solution for anyone seeking to make a long-term impact on a specific ministry. Similar to a donor advised fund (DAF), an SCF acts like a savings account for your charitable giving. But unlike a DAF, which allows you to give to any 501(c)(3) nonprofit organization, an SCF focuses your giving on a single charitable beneficiary.

It's simple: you make gifts to an SCF and receive immediate tax benefits. Your gifts grow through investment. When you're ready to grant funds from your SCF, WatersEdge sends the check on your behalf with the click of a button — no paperwork, no hassle.

Single charity funds solve a common problem for donors who are ready to make a gift and know what ministry or institution they wish to support, but don't yet know which specific initiative they want their gift to advance.

There's another important difference that makes SCFs unique: unlike a DAF, they can be funded with qualified charitable distributions (QCDs) from a traditional IRA. This allows a donor to satisfy (or exceed) their IRA's required minimum distribution (RMD) while simultaneously avoiding the tax consequences of IRA distributions.

HOW IT WORKS

KEY BENEFITS

1

Give To Your Passion

Use your SCF to fund specific projects — building campaigns, scholarships, or whatever you're passionate about. You can be sure your gift is making the right impact at the right time.

3

Multiply Your Giving

Your contributions are invested and grow tax-free, maximizing Kingdom impact when you're ready to grant funds.

2

Fund With Your IRA

In 2025, SCFs can receive qualified charitable distributions of up to \$108,000 annually from your IRA, reducing your taxable income while supporting your ministry of choice. If you take the standard deduction, you can receive tax advantages without itemizing.

4

Enjoy Flexibility, Freedom And Ease

Contribute to your SCF and make grants immediately, or build toward a specific project. You can also create a customized distribution plan or distribute to an endowment account to support your ministry even after you're gone.

"I use a single charity fund to give because it accepts IRA charitable rollovers, which provide significant tax savings. An SCF also allows me to choose when my gift goes to my church, so I can support a variety of activities like missions offerings, youth camps, or even a building campaign."

Endowment

Endowment is unique due to its permanence and ability to multiply your gift many times over, far exceeding the gift's initial value. It is a giving pathway for individuals with a strategic vision for the future — donors who want their gift to not only impact this generation, but also generations to come.

For churches and ministries, endowed gifts build long-term financial stability

while simultaneously meeting short-term needs. An endowment works by investing your gift. Each year, a percentage of the endowment's value is distributed to the ministry you support while the remainder is allowed to grow tax-free to meet future needs. This cycle of distribution and growth creates a perpetual stream of income, providing ministries with financial stability that lasts a lifetime and beyond.

HOW IT WORKS

KEY BENEFITS

1

Leave A Legacy

Endowment is a permanent, perpetual gift, which means it will continue to support ministry for generations, long after your passing.

3

Maximize Tax Benefits

A gift to endowment provides you with immediate charitable tax deductions. It can also help you avoid capital gains taxes if your gift is funded with appreciated assets like stocks or real estate.

2

Multiply Your Gift

An endowment is invested and grows tax-free. Annual distributions to ministry increase over time, multiplying your gift and your impact.

4

Give Over Time

You can give to your endowment during your lifetime and after death, through your estate plan. Others can contribute, too.

“I’ve been a tither since I was 16. When I give to an endowment through WatersEdge, I know that the income will continue to help the ministry I’ve chosen to support from now until Jesus returns. Endowment is a way for me to leave a legacy beyond myself so that when I’m dead and gone, I’m still giving a tithe. That’s very fulfilling to me.”

Charitable Gift Annuity

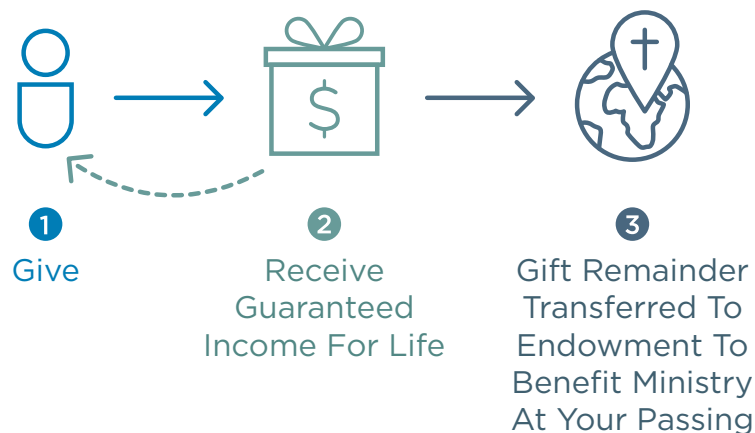

A charitable gift annuity, or CGA, allows you to make a gift to ministry while receiving a tax deduction and guaranteed lifetime income. After your death, the remainder of the gift is placed into endowment to benefit the ministry or ministries you've selected.

CGAs are an excellent giving option for anyone of retirement age who desires to give charitably and values the security of a dependable income stream. The older you are when you create a CGA, the higher your annual payout. Rates also differ slightly between individuals and couples.

Though CGAs are typically funded with cash or stock, they can also accept qualified charitable distributions (QCDs) from a traditional individual retirement account (IRA).

Known as an IRA charitable rollover, individuals age 70½ or older are eligible to make a one-time, tax-free transfer from an IRA to a CGA up to \$54,000 in 2025 (the rate increases annually). However, unlike traditionally funded CGAs, annual payments from an IRA-funded CGA will be taxed as ordinary income since the IRA distribution used to create your CGA is not taxed.

HOW IT WORKS

KEY BENEFITS

1

Receive Income For Life

Fixed rates guarantee the same annual payment for life, even if you outlive the value of your gift.

3

Enjoy Tax Benefits

Claim immediate tax benefits when you create your CGA. A portion of the payments you receive may also be tax-free for a period of time.

2

Protect Your Spouse

For couples, income can continue for the surviving spouse after the death of the first.

4

Get Paid On Your Schedule

You can choose to receive monthly, quarterly, semi-annual, or annual payments from your CGA.

A charitable gift annuity is not regulated by the Oklahoma Insurance Department and is not protected by a guaranty association affiliated with the Oklahoma Insurance Department.

“I wanted to put the money where it was most needed. I know I can’t do it all, but I hope this gift will support someone with the talent of teaching people about Jesus.”

Charitable Remainder Trust

Financial security and charitable giving go hand in hand with a charitable remainder trust, or CRT. This giving solution is an excellent option for securing your retirement while making a lasting Kingdom impact. CRTs provide an immediate tax deduction, create income for you (or

your loved ones), and also support ministry. There are two primary types of charitable remainder trusts, known as CRUTs and CRATs. CRTs can also be created at your passing through your estate plan to make payments to your loved ones and then to ministry.

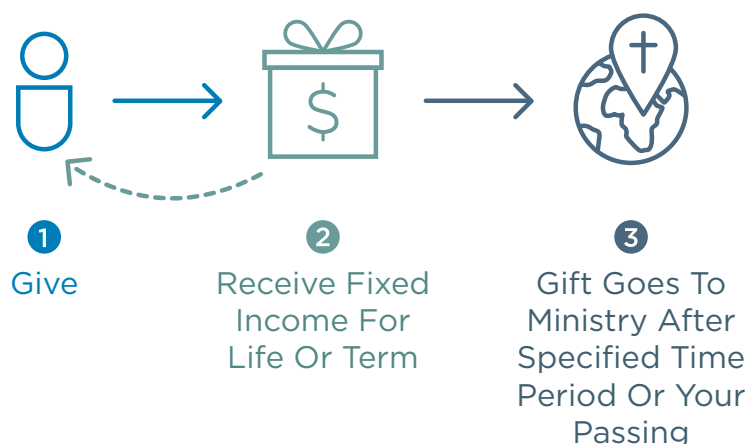

Charitable Remainder Unitrust (CRUT)

A CRUT works by placing your assets in a trust during your lifetime. A fixed percentage of the trust's value is paid out to you or your beneficiaries each year, recalculated annually. After a specified time period, or after you or your beneficiaries pass, the remainder of the trust is transferred to the ministry or ministries of your choice.

Charitable Remainder Annuity Trust (CRAT)

Like a CRUT, a CRAT also places your assets in a trust during your lifetime. But instead of paying out a fixed percentage of the trust's value each year, CRATs pay a fixed dollar amount to you or your beneficiaries. After a specified time period, or after you or your beneficiaries pass, the remainder of the trust is given to ministry.

KEY BENEFITS

1

Dependable Payments

Provide you or your loved ones with a predictable stream of income for life or a specified time period.

2

Reap Tax Benefits

Receive an immediate tax deduction when you fund a CRT; avoid capital gains taxes by giving appreciated assets like stocks or real estate.

3

Give Big

CRTs are an ideal tool for planning major donations to ministry, especially if the assets you're giving come with special circumstances (large, illiquid, or difficult-to-market private businesses), or if you prefer flexible payment arrangements. CRUTs provide an additional giving advantage because they allow you to continue to add funds throughout your lifetime or upon your death.

IRA Charitable Rollover

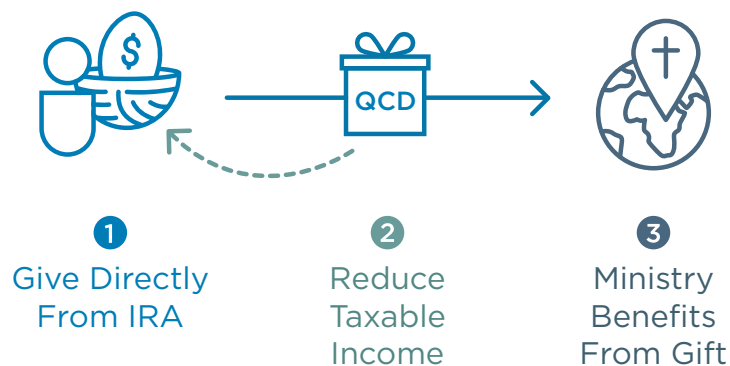

IRA charitable rollovers are an attractive giving option for senior adults. If you are over 70½ years old, you can give a tax-free distribution from a traditional IRA to qualified ministries. The 2025 limits are \$108,000 for individuals and \$216,000 for couples.

This type of gift is known as a qualified charitable distribution (QCD) and can satisfy your IRA's required minimum distribution (RMD). Because QCDs are tax-free, these gifts do not qualify for a charitable deduction on your income tax. However, they have the benefit of

lowering taxes by reducing your adjusted gross income. Unlike other charitable gifts, this tax strategy can benefit you even if you do not itemize your tax deductions.

It is critical to understand that your gift will not qualify as a QCD if you withdraw funds first and then make your donation. Instead, the funds from your IRA must be given directly to WatersEdge for the benefit of the ministries you wish to support. QCDs can also fund charitable gift annuities. See page 24 for more details.

HOW IT WORKS

KEY BENEFITS

1

Reduce Taxable Income

Qualified charitable distributions from your IRA can help minimize taxes by lowering your adjusted gross income.

2

Give Back

An IRA charitable rollover provides you with the opportunity to use retirement funds for giving.

3

Satisfy IRA Requirements

IRAs have complex rules that govern minimum distributions. An IRA charitable rollover can help you satisfy your annual IRA distribution requirements.

RMD

Required Minimum Distribution — The amount of funds you are required to withdraw from your IRA every year after you turn 73.

QCD

Qualified Charitable Distribution — A charitable donation that counts toward your RMD and can begin at age 70½.

“Our tax man is a Christian and he suggested an IRA charitable rollover as a way to reduce our taxable income while helping others at the same time. We chose to give to Baptist Village Communities’ Adams Fund, which provides financial assistance to meet the day-to-day needs of dozens of senior adults with limited incomes.”

Beneficiary Designation

Beneficiary designation allows you to give assets like life insurance policy proceeds or retirement plan accounts to ministry after your passing. It is one of the easiest and most tax-efficient ways to support Kingdom work because updating a beneficiary designation doesn't require changes to your will or trust.

Begin by contacting WatersEdge. Our giving professionals will guide you through the process of requesting and

completing a beneficiary designation form from your account provider.

We'll also document the ministry or ministries you wish to support. You may choose to send the funds directly to ministry, place them in an endowment that multiplies your impact through perpetual annual distributions, or utilize other charitable giving options.

HOW IT WORKS

KEY BENEFITS

1

Give With Ease And Simplicity

Most beneficiary designations require a single form and typically don't necessitate changes to your will or trust.

2

Reduce Potential Tax Burden

Depending on the asset, beneficiary designation gifts can reduce or eliminate income taxes for your heirs, if applicable.

3

Provide Control And Flexibility

Beneficiary designations are revocable until your death; you control which ministry or ministries you want to support and the asset percentage each beneficiary receives.

LONG-TERM INVESTMENT FUNDS

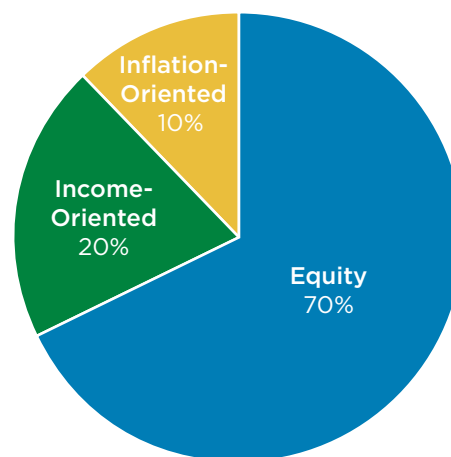

Spending Policy Pool (SPP)

PURPOSE: Exclusively for the investment of endowment trusts and custodial accounts. The SPP is designed for permanent pools of capital that distribute approximately 4.5% annually and grow future distributions by the level of inflation.

GOAL: Capital appreciation and income; target is 8.5% annualized return with less than 80% of public market volatility.

TIME FRAME: Permanent or semi-permanent; the SPP is designed to retain invested principal indefinitely.

ALLOCATION: 70% equity, 20% income-oriented, 10% inflation-oriented; includes illiquid private limited partnerships (private equity, private debt, venture capital, private real estate, private real assets) that enhance return and dampen volatility.

General Investment Pool (GIP)

PURPOSE: Designed for the long-term investment of trusts that desire a return profile similar to the Spending Policy Pool but with higher liquidity.

GOAL: Capital appreciation and income; target is 7.6% annualized return.

TIME FRAME: 5+ years

ALLOCATION: Primarily liquid public securities (70% equity, 20% income-oriented, 10% inflation-oriented); does not include illiquid private limited partnerships.

CASH MANAGEMENT

Institutional Cash Fund

PURPOSE: Provides high yields on cash assets; designed for custodial accounts managed for institutional clients.

GOAL: Capital preservation and income; historically offers greater returns than cash investments available at traditional financial institutions.

TIME FRAME: Assets are available on demand (daily liquidity), though the fund is ideal for long-term investment.

ALLOCATION: Variable; includes a mixture of liquid allocations (cash equivalents, certificates of deposit, treasury bonds, corporate bonds) and long-term allocations (private debt, ministry loans, real estate). The latter allows the fund to earn a higher interest rate than cash equivalents alone.

CUSTOM FUNDS

In addition to our Spending Policy and General Investment pools, WatersEdge offers customized investment options. These tailored solutions allow you to blend multiple funds in any combination to suit your organization's unique needs. We believe that asset allocation is the single largest driver of investment risk and performance. That's why we'll work together to identify and understand your specific investment objectives in order to design a custom portfolio to protect, strengthen and grow your organization's assets.

Charitable Estate Planning

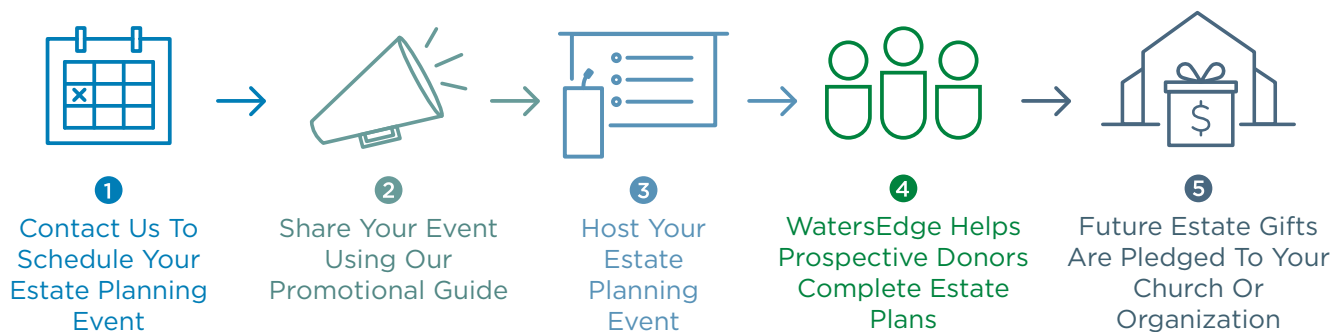

For most Christians, the best opportunity to make a significant financial gift to Kingdom work comes when they die, through their estate. That's why charitable estate planning is such an important part of biblical stewardship and an essential giving tool for churches, ministries, Christian organizations and institutions.

Estate planning provides a long-term pathway to direct gifts to your church or organization while simultaneously safeguarding those who support you. To develop this giving pathway, WatersEdge offers estate planning

seminars, emphases and events to educate prospective donors and assist them with creating or updating their plans. These events are designed to encourage estate gifts to your church or organization and are fully customizable, depending on your unique needs.

As part of our purpose to financially empower donors and ministries to transform lives with the Gospel, WatersEdge estate planning services are provided at no cost to your church or organization or to the individuals and families who create charitable estate plans.
