Great Rates. Great Commission Impact.

WatersEdge Kingdom Investments provide investment opportunities for individuals and ministries, all while multiplying Kingdom impact. WatersEdge uses invested dollars to provide competitive loans to churches seeking to purchase, build, renovate, or refinance their facilities. The interest these congregations pay on their loans provides a return on the investment.

Demand and Term Investments

Kingdom Investments feature two options: Demand Investments and Term Investments. Demand Investments provide the flexibility to withdraw funds on demand (high liquidity), while Term Investments are designed to lock-in interest rates over a fixed time frame. Both options offer excellent yields.

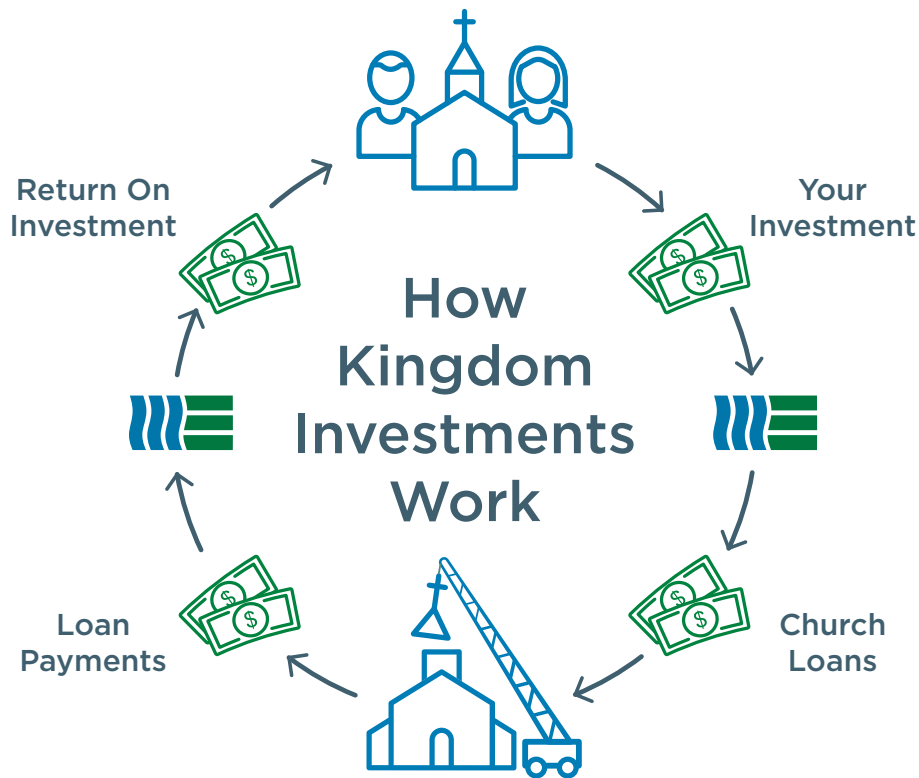

Demand Investments

Grow cash at competitive rates with no commitment; withdraw funds at any time, penalty-free. Ideal for short-term investors who need to access funds on-demand.

Term Investments

Fixed interest rates and investment periods provide high-yield cash growth. Ideal for investors who seek income without stock market volatility.
